Notes to Consolidated Financial Statements

For the Three and Nine Months Ended March 31, 2023 and 2022

(Unaudited)

1) Formation and Description of Business

Formation

Woodbridge Liquidation Trust (the “Trust”) was established (i) for the purpose of collecting, administering, distributing and liquidating the Trust assets for the benefit of the Trust beneficiaries in accordance with the Liquidation Trust Agreement of the Trust and the First Amended Joint Chapter 11 Plan of Liquidation of Woodbridge Group of Companies, LLC and its Affiliated Debtors dated August 22, 2018 (as amended, modified, supplemented or restated from time to time, the “Plan”); (ii) to resolve disputed claims asserted against the Debtors; (iii) to litigate and/or settle causes of action (“Causes of Action”); and (iv) to pay certain allowed claims and statutory fees, as required by the Plan. Woodbridge Group of Companies, LLC and its affiliated debtors are individually referred to herein as a Debtor and collectively as the Debtors. The Trust was formed on February 15, 2019 (the “Plan Effective Date”) as a statutory trust under Delaware law.

On the Plan Effective Date, in accordance with the Plan, (a) the following assets automatically vested in the Trust: (i) an aggregate \$5,000,000 in cash from the Debtors for the purpose of funding the Trust’s initial expenses of operation; (ii) certain claims and Causes of Action; (iii) all of the outstanding equity interests of the Wind-Down Entity (as defined below); and (iv) certain other non-real estate related assets, (b) the equity interests of Woodbridge Group of Companies, LLC and Woodbridge Mortgage Investment Fund 1, LLC (together, the “Remaining Debtors”) were cancelled and new equity interests representing all of the newly issued and outstanding equity interests in the Remaining Debtors were issued to the Trust, (c) all of the other Debtors other than the Remaining Debtors were dissolved and (d) the real estate-related assets of the Debtors were automatically vested in the Trust’s wholly-owned subsidiary, Woodbridge Wind-Down Entity LLC (the “Wind-Down Entity”) or one of the Wind-Down Entity’s 43 wholly-owned single-member limited liability companies (the “Wind-Down Subsidiaries”) formed to own the respective real estate assets. The Trust, the Remaining Debtors, the Wind-Down Entity and the Wind-Down Subsidiaries are collectively referred to herein as the “Company.”

As further discussed in Note 10, the Trust has two classes of liquidation trust interests: Class A Liquidation Trust Interests (“Class A Interests”) and Class B Liquidation Trust Interests (“Class B Interests”). The holders of Class A Interests and Class B Interests are collectively referred to as “All Interestholders.”

On December 24, 2019, the Trust’s Registration Statement on Form 10 became effective under the Securities Exchange Act of 1934 (the “Exchange Act”). The trading symbol for the Trust’s Class A Interests is WBQNL. Bid and asked prices for the Trust’s Class A Interests are quoted on the OTC Link ATS, the SEC-registered alternative trading system. The Class A Interests are eligible for the Depository Trust Company’s Direct Registration System (DRS) services. The Class B Interests are not registered with the SEC.

Description of Business

The Trust is prosecuting various Causes of Action acquired by the Trust pursuant to the Plan and is resolving claims asserted against the Debtors. As of March 31, 2023, the Company is the plaintiff in several pending lawsuits. The Company has accrued an estimate of the amount of legal costs to be incurred to pursue this litigation, excluding contingent fees. As more fully discussed in Note 2, the Company’s consolidated financial statements do not include any estimate of future net recoveries from litigation and settlement, since the Company cannot reasonably estimate them.

The Wind-Down Entities’ operations are almost complete. As of March 31, 2023, the Wind-Down Subsidiaries owned one secured loan and two other properties (see Note 3.)

Item 1. Financial Statements (Continued)

Woodbridge Liquidation Trust and Subsidiaries

Notes to Consolidated Financial Statements (Continued)

For the Three and Nine Months Ended March 31, 2023 and 2022

(Unaudited)

The Company is required to liquidate its assets and distribute available cash to the Trust beneficiaries. The liquidation activities are carried out by the Trust, the Wind-Down Entity and the Wind-Down Subsidiaries. As of March 31, 2023, the Company estimates that the liquidation activities will be completed by March 31, 2026 (see Note 6).

As more fully discussed in Note 2, the Company uses the Liquidation Basis of Accounting. The Trust currently operates as one reportable segment comprised primarily of real estate assets held for sale. Net assets in liquidation represent the remaining estimated aggregate value available to Trust beneficiaries upon liquidation, with no discount for the timing of proceeds (undiscounted). Net liquidation proceeds, other recoveries and actual liquidation costs may differ materially from the estimated amounts due to the uncertainty in the timing of completing the liquidation activities.

The Trust's expectations about the amount of any additional distributions and when they will be paid are subject to risks and uncertainties and are based on certain estimates and assumptions, one or more of which may prove to be incorrect. As a result, the actual amount of any additional distributions may differ materially, perhaps in adverse ways, from the Trust estimates. Furthermore, it is not possible to predict the timing of any additional distributions and any such distributions may not be made within the timing referenced in the consolidated financial statements.

No assurance can be given that total distributions will equal or exceed the estimate of net assets in liquidation presented in the consolidated statements of net assets in liquidation.

The Company observes health and safety guidelines, including allowing its employees to work remotely. The Company continues to evaluate the impact of the COVID-19 virus and other global health crises on its activities, including the time needed to prosecute the Company's Causes of Action and complete its remaining liquidation activities.

2) Summary of Significant Accounting Policies

Basis of Presentation and Consolidation

The accompanying unaudited consolidated financial statements of the Company have been prepared in accordance with U.S. Generally Accepted Accounting Principles ("U.S. GAAP") and pursuant to the rules and regulations of the Securities and Exchange Commission (the "SEC"), including the instructions to Form 10-Q and Article 10 of Regulation S-X. In the opinion of management, the consolidated financial statements for the unaudited interim periods presented include all adjustments, which are of a normal and recurring nature, necessary for a fair and consistent presentation of the results for such periods. These consolidated financial statements have been presented in accordance with Accounting Standards Codification ("ASC") Subtopic 205-30, "Liquidation Basis of Accounting," as amended by Accounting Standards Update ("ASU") No. 2013-07, "Presentation of Financial Statements (Topic 205), Liquidation Basis of Accounting." The June 30, 2022 consolidated statement of net assets in liquidation included herein was derived from the audited consolidated financial statements but does not include all disclosures or notes required by U.S. GAAP for complete financial statements.

All material intercompany accounts and transactions have been eliminated.

Use of Estimates

U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements and for the period then ended. Actual results could differ from these estimates. Estimates and assumptions are reviewed periodically, and the carrying amounts of assets and liabilities are revised in the period that available information supports a change in the carrying amount.

Liquidation Basis of Accounting

Under the liquidation basis of accounting, all assets are recorded at their estimated net realizable value or liquidation value, which represents the estimated amount of net cash that will be received upon the disposition of the assets (on an undiscounted basis). The measurement of real estate assets held for sale is based on current contracts (if any), estimates and other indications of sales value, net of estimated selling costs. To determine the value of real estate assets held for sale, the Company considered the three traditional approaches to value (cost, income and sales comparison) commonly used by the real estate appraisal community. The applicability and relevancy of each valuation approach as applied may differ by asset. In most cases, the sales comparison approach was accorded the greatest weight. This approach compares a property to other properties with similar characteristics that have recently sold. To validate management's estimate, the Company also considered opinions from qualified real estate professionals and local real estate brokers and, in some cases, obtained third party appraisals. The estimated selling costs range from 5.0% to 8.5% of the property sales price, including sales commissions, transfer taxes and other costs.

Liabilities, including estimated costs associated with implementing and completing the Plan, are measured in accordance with U.S. GAAP that otherwise applies to those liabilities. The Company has also recorded the estimated development costs to be incurred to prepare the assets for sale as well as the estimated holding costs to be incurred until the projected sale date and the estimated general and administrative costs to be incurred until the completion of the liquidation of the Company and estimated reserves for contingencies. When estimating development costs, the Company considered third party construction contracts and estimates of costs to complete based on construction status, progress and projected completion timing. Estimated development costs also include the costs of design and furnishings necessary to prepare and stage the homes for marketing as well as an accrual for potential construction warranty claims. Holding cost estimates consider property taxes, insurance, utilities, maintenance and other costs to be incurred until the sale of the property is closed. Projected general and administrative cost estimates take into account operating costs through the completion of the liquidation of the Company and an accrual for potential construction warranty claims and the administration of such claims.

These estimated amounts are presented in the accompanying consolidated statements of net assets in liquidation. All changes in the estimated liquidation value of the Company's real estate held for sale, or other assets and liabilities are reflected as a change to the Company's net assets in liquidation.

The Company does not record any amount from the future settlement of unresolved Causes of Action or recoveries of Fair Funds in the accompanying consolidated financial statements since they cannot be reasonably estimated. The amount recovered may be material to the Company's net assets in liquidation.

On a quarterly basis, the Company reviews the estimated net realizable values, liquidation costs and the estimated date of the completion of the liquidation of the Company and records any significant changes. The Company will also revalue an asset when it is under contract for sale and the buyer's contingencies have been removed. During the period when this occurs, the carrying value of the asset and the estimated closing and other costs will be adjusted, if necessary. If the Company has a change in its plan for the disposition of an asset, the carrying value will be adjusted to reflect this change in the period that the change is approved. The change in value may include the accrued liquidation costs related to the asset.

Item 1. Financial Statements (Continued)

Woodbridge Liquidation Trust and Subsidiaries

Notes to Consolidated Financial Statements (Continued)

For the Three and Nine Months Ended March 31, 2023 and 2022

(Unaudited)

Other Assets

The Company recognizes recoveries from the settlement of unresolved Causes of Action when an agreement is executed and collectability is reasonably assured. An allowance for uncollectible settlement installment receivables is recorded when there is doubt about the collectability of the receivable. Insurance claims are recognized when the insurance company accepts the claim or if a claim is pending and the recoverable amount can be estimated. The Company records escrow receivables at the amount that is expected to be received when the escrow receivable is released. The Forfeited Assets (Note 7) received from the United States Department of Justice (the “DOJ”), other than cash, have been recorded at their estimated net realizable value. In addition, the Company recognizes other amounts to be received based on contractual terms or when the amounts to be received are certain.

Accrued Liquidation Costs

The Company accrues for estimated liquidation costs to the extent they are reasonably determinable. These costs consist of (a) estimated development costs of the single-family homes, including construction and other project related costs, architectural and engineering, project management, city fees, bond payments (net of refunds), furnishings, marketing, estimated reserves for potential construction warranty claims and other costs; (b) estimated holding costs, including property taxes, insurance, maintenance, utilities and other; and (c) estimated general and administrative costs including payroll, legal and other professional fees, trustee and board fees, rent and other office related expenses, and other general and administrative costs to operate the Company and administer warranty claims.

Cash Equivalents

The Company considers short-term investments that have a maturity date of ninety days or less at the time of investment to be a cash equivalent.

Restricted Cash

Restricted cash includes cash that can only be used for certain specified purposes.

Concentrations of Credit Risk

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash, cash equivalents and restricted cash, which are held as deposits in several financial institutions. The deposit balances in any one financial institution may exceed the Federal Deposit Insurance Corporation (the “FDIC”) insurance limits. The Company mitigates this risk by using sweep accounts to reduce deposit balances at any one financial institution consistent with FDIC insurance limits. The Company also has deposits in two Akerman LLP trust accounts for the benefit of the Company (“Trust Accounts”) (see Note 12).

Income Taxes

The Trust is intended to be treated as a grantor trust for income tax purposes and, accordingly, is not subject to federal or state income tax on any income earned or gain recognized by the Trust. The Trust’s beneficiaries will be treated as the owner of a pro rata portion of each asset, including cash and each liability received by and held by the Trust. Each beneficiary will be required to report on his or her federal and state income tax return his or her pro rata share of taxable income, including gains and losses recognized by the Trust. Accordingly, there is no provision for federal or state income taxes recorded in the accompanying consolidated financial statements.

Woodbridge Liquidation Trust and Subsidiaries

Notes to Consolidated Financial Statements (Continued)

For the Three and Nine Months Ended March 31, 2023 and 2022

(Unaudited)

The Company regularly analyzes its various federal and state filing positions and only recognizes the income tax effect in the consolidated financial statements when certain criteria regarding uncertain income tax positions have been met. The Company believes that its income tax positions would more likely than not be sustained upon examination by all relevant taxing authorities. Therefore, no provision for uncertain income tax positions has been recorded in the consolidated financial statements.

Net Assets in Liquidation - Restricted for Qualifying Victims

The Company separately presents the portion of net assets in liquidation that are restricted for Qualifying Victims (Note 7) from the net assets in liquidation that are available to All Interestholders.

During the quarter ended March 31, 2023, the Company concluded that its liquidation activities would not be completed by February 15, 2024, the current outside termination date of the Trust. There have been significant delays in the Company's legal proceedings where the Company is the plaintiff and the Company estimates that it may require up to an additional two years to complete its operations. The revised estimated completion date for the Company's operations is approximately March 31, 2026. Furthermore, the ultimate recovery amount from these legal proceedings cannot be determined until they are settled.

The change of the estimated completion date of the Company's liquidation activities resulted in an additional accrual of accrued liquidation costs of approximately \$7.7 million. The additional costs are primarily legal and other professional fees and payroll and payroll-related costs. A portion of the accrued liquidation costs relate to estimated reserves for potential construction warranty claims and the administration of such claims after the Company's liquidation activities are completed.

The Company is required to file a motion with the Bankruptcy Court to extend the termination date of the Trust beyond February 15, 2024. The motion is required to be filed within six months before February 15, 2024. The Company expects that the motion will be filed as required and that the Bankruptcy Court will grant the motion as the extension is needed to pursue additional Trust actions that are expected to yield additional proceeds to the Trust.

7) Forfeited Assets - Restricted for Qualifying Victims

The Trust entered into a resolution agreement with the DOJ which provided that the Trust would receive the assets forfeited ("Forfeited Assets") by Robert and Jeri Shapiro. The agreement provided for the release of specified Forfeited Assets by the DOJ to the Trust and for the Trust to liquidate those assets and distribute the net sale proceeds to Qualifying Victims. Qualifying Victims include the vast majority of Trust beneficiaries (specifically, all former holders of allowed Class 3 and 5 claims and their permitted assigns), but do not include former holders of Class 4 claims. Distributions to Qualifying Victims are to be allocated pro-rata based on their net allowed claims without considering the (i) 5% enhancement for contributing their causes of action and (ii) 72.5% Class 5 coefficient.

In March 2021, the Trust received certain Forfeited Assets from the DOJ, including cash, wine, jewelry, handbags, clothing, shoes, art, gold, an automobile and other assets. The Company recorded the total estimated net realizable value of the Forfeited Assets of approximately \$3,459,000. During the three and nine months ended March 31, 2023, the Company sold the automobile, some of the jewelry, handbags, clothing, shoes and art. During the year ended June 30, 2022, the Company sold the wine and gold and some of the handbags, clothing and shoes. The Forfeited Assets included in the Company's March 31, 2023 and June 30, 2022 consolidated financial statements are as follows (\$ in thousands) (unaudited):

	<u>March 31, 2023</u>	<u>June 30, 2022</u>

On February 7, 2023, the Trust was informed that the DOJ had received additional Forfeited Assets from a co-defendant of Robert Shapiro and that the DOJ proposes to transfer these Forfeited Assets to the Trust. The Trust has not yet entered into an agreement with the DOJ for the transfer of any additional Forfeited Assets. It is expected that the proceeds from any additional Forfeited Assets would be distributed to Qualifying Victims. The Trust is unable to estimate the amount or timing of the transfer of any such Forfeited Assets.

11) Distributions

The Plan provides for a distribution waterfall that specifies the priority and manner of distribution of available cash to all Interestholders, excluding distributions of the net sales proceeds from Forfeited Assets (Note 7). Distributions are to be made (a) to the Class A Interests until they have received distributions of \$75.00 per Class A Interest; thereafter (b) to the Class B Interests until they have received distributions of \$75.00 per Class B Interest; thereafter (c) to each Liquidation Trust Interest (whether a Class A Interest or Class B Interest) until the aggregate of all distributions made pursuant to this clause equals an amount equivalent to interest, at a per annum fixed rate of 10%, compounded annually, accrued on the aggregate principal amount of all Net Note Claims, Allowed General Unsecured Claims and Net Unit Claims, all as defined in the Plan, treating each distribution pursuant to (a) and (b) above as reductions of such principal amount; and thereafter (d) to the holders of Allowed Subordinated Claims, as defined in the Plan, until such claims are paid in full, including interest, at a per annum fixed rate of 10% or such higher rate as may be agreed to, as provided for in the Plan, compounded annually, accrued on the principal amount of each Allowed Subordinated Claim, as defined.

No distributions were declared or paid during the three months ended March 31, 2023. During the three months ended March 31, 2022, one distribution was declared and paid (\$ in millions, except for \$ per Class A Interest):

One distribution was paid during the nine months ended March 31, 2023 relating to the tenth distribution and two distributions were declared and paid during the nine months ended March 31, 2022, relating to the eighth and ninth distributions (\$ in millions, except for \$ per Class A Interest):

(a) The distribution was declared on June 15, 2022 and paid on July 15, 2022.

For every distribution, a deposit is made into a restricted cash account for amounts (a) payable for Class A Interests that may be issued in the future upon the allowance of unresolved claims, (b) in respect of Class A Interests issued on account of recently allowed claims, (c) for holders of Class A Interests who failed to cash distribution checks mailed in respect of prior distributions, (d) for distributions that were withheld due to pending avoidance actions, and (e) for holders of Class A Interests for which the Trust is waiting for further beneficiary information.

During the three months ended March 31, 2023 and 2022, as (a) claims were resolved, (b) claims were recently allowed, (c) addresses for holders of uncashed distribution checks were obtained, (d) pending avoidance actions were resolved and (e) further beneficiary information was received, distributions of approximately \$14,000 and \$495,000, respectively, and during the nine months ended March 31, 2023 and 2022, approximately \$718,000 and \$608,000, respectively, were paid to holders of Class A Interests from the restricted cash account and distributions payable were reduced by the same amount.

During the three and nine months ended March 31, 2023, approximately \$20,000 was received from Interestholders that had been overpaid on prior distributions. During the three and nine months ended March 31, 2022, no Interestholders repaid amounts related to prior distributions.

As a result of distribution checks that had not been cashed within 180 days of their issuance, Interestholders were deemed to have forfeited their rights to reserved and future Class A Interest distributions. During the three and nine months ended March 31, 2023, some Interestholders that had previously been deemed to have forfeited their rights to receive Class A Interest distributions responded and therefore approximately \$14,000 and \$26,000, respectively, was added to the restricted cash account and distributions payable were increased by the same amount. During the three and nine months ended March 31, 2022, no Interestholders were deemed to have forfeited their rights to reserved and future Class A Interest distributions.

Under the arrangement, the Trust is charged for the services at scheduled rates per task which, depending on specific task, include flat rates, rates based on volume of data processed, rates based on the number of data users, the hourly rates of Akerman LLP personnel, or other rates. During the three months ended March 31, 2023 and 2022, respectively, approximately \$41,000 and \$137,000, respectively, and during the nine months ended March 31, 2023 and 2022, respectively, approximately \$235,000 and \$351,000 were paid related to these services and there are no outstanding payables as of March 31, 2023 and June 30, 2022.

In March 2023, as a result of the failure of two large financial institutions, as a protective measure, the Company deposited the restricted cash relating to Forfeited Assets and distribution reserves into separate Trust Accounts held by Akerman LLP for the benefit of the Company. 13) Causes of Action

One of the Trust’s liquidation activities is to litigate and/or settle Causes of Action. The main areas of litigation have involved actions against Comerica Bank, law firms and individual attorneys and avoidance actions. The Company recognizes recoveries from settlements when an agreement is executed and collectability is reasonably assured.

In December 2021, the Trust received court approval of its agreement to settle its litigation against Comerica Bank. The Trust has also pursued litigation against nine law firms and ten individual attorneys. The cases against two law firms and two individual attorneys have been settled. As of March 31, 2023, litigation against the other seven law firms and eight individual attorneys are in various stages. See Note 15.

The Trust has also filed numerous avoidance actions, most of which have been resolved, resulting in recoveries by or judgments in favor of the Trust. As of April 30, 2023, 46 legal actions remain pending. Additionally, since February 15, 2019 and as of March 31, 2023, the Trust has obtained default and stipulated judgments related to certain avoidance actions. It is unknown at this time how much, if any, will ultimately be collected on the judgments. Therefore, the Company has not recognized any recoveries from these judgments.

During the three and nine months ended March 31, 2023 and 2022, the Company recorded the following amounts from the settlement of Causes of Action (\$ in thousands):

	For the Three Months Ended March 31,		For the Nine Months Ended March 31,

Total	\$ -	\$ 468	\$ 231	\$ 26,683

The Company also recorded liabilities of 5% of the settlement as amounts payable to the Liquidation Trustee and an allowance for uncollectible settlement installment receivables. See Note 5 for information about the settlement receivables, net as of March 31, 2023.

14) Commitments and Contingencies

As of March 31, 2023, the Company had construction contracts under which approximately \$220,000 was unpaid.

(See “Part II. Other Information, Item 1A. Risk Factors” of this Form 10-Q.) These cautionary statements are to be used as a reference in connection with any forward-looking statements. The factors, risks and uncertainties identified in these cautionary statements are in addition to those contained in any other cautionary statements, written or oral, which may be made or otherwise addressed in connection with a forward-looking statement or contained in any of the Trust’s subsequent filings with the SEC. Because of these factors, risks and uncertainties, the Trust cautions against placing undue reliance on forward-looking statements. Overview

Pursuant to the Plan, the Trust was formed on February 15, 2019 to hold, either directly or indirectly through the Wind-Down Entity and the Wind-Down Subsidiaries, the assets and equity interests formerly owned by the Debtors. Each of the real properties formerly owned by the Debtors was transferred, on the effective date of the Plan to one of the Wind-Down Subsidiaries. The purpose of the Wind-Down Group is to develop (as applicable), market, and sell those properties to generate cash. Assets formerly owned by the Debtors other than real estate assets and certain cash were transferred on the Plan Effective Date of the Trust. The purpose of the Trust is to receive remittances of cash from the Wind-Down Entity, to resolve disputed claims, to prosecute the Causes of Action, to pay allowed administrative and priority claims, as defined in the Plan, and, subject to the payment of Trust expenses and the retention of various reserves, to make distributions of cash to Interestholders in accordance with the Plan.

PART I. FINANCIAL INFORMATION (CONTINUED)

Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations (Continued)

The Trust operates pursuant to the Plan and the Trust Agreement. The Trust was formed as a Delaware statutory trust and is administered by the Liquidation Trustee under the supervision of its Supervisory Board. The Wind-Down Entity, a wholly-owned subsidiary of the Trust, operates pursuant to the Plan and the Wind-Down Entity LLC Agreement. The Wind-Down Entity was formed as a Delaware limited liability company and is administered by its Board of Managers. One member of the Board of Managers is also a member of the Supervisory Board of the Trust.

The Bankruptcy Court has retained certain jurisdictions regarding the Trust, the Liquidation Trustee, the Supervisory Board, the Wind-Down Entity, the Board of Managers, and assets of the Trust and the Wind-Down Entity, including the determination of all disputes arising out of or related to administration of the Trust and the Wind-Down Entity and its subsidiaries.

As of March 31, 2023, the number of Liquidation Trust Interests outstanding in each class is as follows:

<u>Class of Interest</u>	<u>Number Outstanding</u>
Class A Liquidation Trust Interests	11,514,190
Class B Liquidation Trust Interests	675,617

For each of the classes of Liquidation Trust Interests, the number of Liquidation Trust Interests outstanding will increase to the extent that the disputed claims become allowed claims. In addition, the number of Liquidation Trust Interests outstanding will decrease to the extent that disputed claims are settled by cancelling previously issued Liquidation Trust Interests.

Since the Plan Effective Date through March 31, 2023, the Wind-Down Subsidiaries have disposed of approximately 147 properties for aggregate net sales proceeds of approximately \$574.44 million. As of March 31, 2023, the Company owned three real estate assets (including one other real estate asset under contract) with a gross carrying value of approximately \$2.45 million. Given the significantly smaller inventory of remaining real estate assets when compared to the inventory as of the Plan Effective Date, the amount of net proceeds from the sale of real estate assets in the future will be negligible as compared to the amount realized from the Plan Effective Date through March 31, 2023. The Company expects to complete its liquidation activities no later than the fiscal year ending June 30, 2026.

Liquidity and Capital Resources

Liquidity

The Company's only sources for meeting its capital requirements are its cash and cash equivalents, proceeds from the sale of its real estate assets, recoveries on Causes of Action and proceeds from the sale of Forfeited Assets¹. The Company's primary uses of funds are and will continue to be for distributions, development costs including warranty claims, holding costs and general and administrative costs, all of which the Company expects to be able to adequately fund over the next twelve months from its primary sources of capital.

Capital Resources

In addition to consolidated cash and cash equivalents as of March 31, 2023 of approximately \$55.40 million (of which approximately \$4.39 million is restricted), the capital resources available to the Company are as follows:

- **Sales of Real Estate:** The Wind-Down Group is in the process of marketing and selling its few remaining real estate assets, all of which are held for sale. As of March 31, 2023, the Company owned a total of three real estate assets with a gross carrying value of approximately \$2.45 million. Based on the remaining assets of the Company, future net proceeds will be negligible as compared to the proceeds the Company has realized in prior periods.
- **Causes of Action Recoveries:** During the three and nine months ended March 31, 2023, the Company recognized approximately \$0 million and \$0.27 million, respectively, from the settlement of Causes of Action. There can be no assurance that the amounts the Company recovers from settling Causes of Action in the future will be consistent with the amount recovered in prior periods.
- **Forfeited Assets:** Forfeited Assets consist of cash and other assets (jewelry, art, clothing, handbags and shoes). During the three and nine months ended March 31, 2023, the Trust sold some of its Forfeited Assets and received net proceeds of approximately \$0.08 million and \$0.79 million, respectively. As noted earlier, net sale proceeds from liquidating the Forfeited Assets are to be distributed only to Qualifying Victims.

Uses of Liquidity

The primary uses of the Company's liquidity are to pay (a) distributions payable, (b) development costs including warranty claims, (c) holding costs including maintenance and repair costs, and (d) general and administrative costs. As of March 31, 2023, the Company's total liabilities were approximately \$28.75 million. The total liabilities recorded as of March 31, 2023 may not be indicative of the costs paid in future periods, which may vary materially from the current estimate.

¹ The Trust is required to distribute the net sale proceeds from liquidating the Forfeited Assets to the Qualifying Victims. Qualifying Victims are the former holders of Class 3 and Class 5 claims and their permitted assigns. Former holders of Class 4 claims are not Qualifying Victims. Because of the requirement to distribute the net sale proceeds of the Forfeited Assets to the Qualifying Victims only, the Forfeited Assets as of March 31, 2023 are presented in the consolidated statement of net assets as restricted net assets in liquidation. As of March 31, 2023, 11,436,259 of the 11,514,190 Class A Interests were held by Qualifying Victims. Of the 13,875 Class A Interests relating to unresolved claims as of March 31, 2023, 1,880 would be held by Qualifying Victims.

PART I. FINANCIAL INFORMATION (CONTINUED)

Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations (Continued)

Given current cash and cash equivalent balances, projected sales of real estate assets, estimated Causes of Action recoveries, distributions declared, and expected cash needs, the Company does not expect a deficiency in liquidity in the next twelve months. Due to the uncertain nature of future net sales proceeds, recoveries and costs to be incurred, it is not possible to be certain that the current liquidity will be adequate to cover all future financial needs of the Company. Creating contingent obligation agreements and/or seeking methods to reduce professional costs, including legal fees, and administrative costs are strategies that could be undertaken to address liquidity issues should they arise. These strategies could impact the Company’s ability to maximize recoveries from the settlement of unresolved Causes of Action.

Distributions

Distributions will be made at the sole discretion of the Liquidation Trustee in accordance with the provisions of the Plan and the Trust Agreement. As of May 12, 2023, the Liquidation Trustee has declared eleven distributions to the Class A Interestholders. The distributions include a cash distribution on account of the then-allowed claims and a deposit is made into a restricted cash account for amounts that are or may become payable (a) in respect of Class A Interests that may be issued in the future upon the allowance of unresolved bankruptcy claims, (b) in respect of Class A Interests on account of recently allowed claims, (c) for holders of Class A Interests who failed to cash distribution checks mailed in respect of prior distributions, (d) for distributions that were withheld due to pending avoidance actions and (e) for holders of Class A Interests for which the Trust is waiting for further beneficiary information.

As claims are resolved, additional Class A Interests may be issued or cancelled (see the Company’s Annual Report on Form 10-K filed on September 26, 2022, “Part 1, Item 1. Business, D. Plan Provisions Regarding the Company, 2. Treatment under the Plan of holders of claims against and equity interests in the Debtors and 3. Assets and liabilities of the Company”). Therefore, the total amount of a distribution declared may change between the date declared and the date paid. The Liquidation Trustee will continue to assess the adequacy of funds held and expects to make additional cash distribution(s) on account of Class A Interests, but does not currently know the timing or amount of any such distribution(s).

Sections 7.6 and 7.18 of the Plan provide that distributions that have not been cashed within 180 calendar days of their issuance shall be null and void and the holder of the associated Liquidation Trust Interests “shall be deemed to have forfeited its rights to any reserved and future Distributions under the Plan,” with such amounts to become “Available Cash” of the Trust for all purposes. On February 1, 2022, the Trust sent letters to the holders of the Class A Interests who had failed to cash distribution checks in respect of prior distributions, which checks were issued more than 180 days prior to the date of the letter. The letter informed each recipient that, unless the Trust was contacted on or before February 28, 2022, such recipient’s reserved and future distributions would be deemed forfeited in accordance with the Plan. The Trust provided this final notice simply as a one-time courtesy and reserves its rights to strictly enforce the Plan’s forfeiture provisions, and any other provision of the Plan, against any person (including any recipient of the final notice) at any time in the future, without further notice.

Management believes that, since its inception, the Wind-Down Entity has made substantial progress toward completion of its liquidation activities and is nearing the end of the liquidation of its real estate portfolio. Holders of Liquidation Trust Interests are advised that future distributions from the Trust will be limited. Once the Company’s remaining real estate assets have been liquidated and the net proceeds resulting therefrom, net of reserves, have been distributed, further distribution(s) will be materially reliant on future recoveries from litigation, which are uncertain and the amount (if any) and timing of which are difficult to determine.

Contractual Obligations

As of March 31, 2023, the Company has contractual commitments related to construction contracts totaling approximately \$0.22 million. The Company has an office lease that expires in July 2023. The Company has one six-month option to extend the lease. The Company expects that it will continue to lease office space until the liquidation process is completed. The Wind-Down Entity has part-time employment agreements with its two executive officers through December 31, 2023.

PART I. FINANCIAL INFORMATION (CONTINUED)

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations (Continued)

Critical Accounting Policies and Practices

The Company's consolidated financial statements are prepared in accordance with U.S. GAAP. The accounting policies and practices that the Company believes are the most critical are discussed below. These accounting policies and practices require management to make decisions on subjective and/or complex matters that may inherently be uncertain. Estimates are required to prepare the consolidated financial statements in conformity with U.S. GAAP. Significant estimates, judgments and assumptions are required in a number of areas, including, but not limited to, the sales price of real estate assets, selling costs, development costs, holding costs, potential construction warranty claims, and general and administrative costs to be incurred until the completion of the liquidation activities of the Company and estimated reserves for potential construction warranty claims and the administration of such claims after the Company's liquidation activities are completed. In many instances, changes in the accounting estimates are likely to occur from period to period. Actual results may differ from the estimates. The Company believes the current assumptions and other considerations used in preparing the consolidated financial statements are appropriate. However, if actual experience differs from the assumptions and other considerations used in estimating amounts reflected in the Company's consolidated financial statements, the resulting changes could have a material adverse effect on the Company's net assets in liquidation.

Liquidation Basis of Accounting

Under the Liquidation Basis of Accounting, all assets are recorded at their estimated net realizable value or liquidation value, which represents the estimated amount of net cash that may be received upon the disposition of the assets (on an undiscounted basis). Liabilities are measured in accordance with U.S. GAAP that otherwise applies to those liabilities. The Company has not recorded any amount from the future settlement of unresolved Causes of Action or recoveries of Fair Funds in the accompanying consolidated financial statements because they cannot be reasonably estimated.

Valuation of Real Estate

The measurement of real estate assets held for sale is based on current contracts (if any), estimates and other indications of sales value, net of estimated selling costs. To determine the value of real estate assets held for sale, the Company considered the three traditional approaches to value (cost, income and sales comparison) commonly used by the real estate appraisal community. The applicability and relevancy of each valuation approach as applied may differ by asset. In most cases, the sales comparison approach was accorded the greatest weight. This approach compares a property to other properties with similar characteristics that have recently sold. To validate management's estimate, the Company also considers opinions from qualified real estate professionals and local real estate brokers and, in some cases, has obtained third party appraisals.

Accrued Liquidation Costs

The estimated costs associated with implementing and completing the Company's plan of liquidation are recorded as accrued liquidation costs. The Company has also recorded the estimated remaining development costs to be paid and an accrual for potential construction warranty claims as well as the estimated holding, maintenance and repair costs to be incurred and the estimated general and administrative costs to be incurred until the completion of the liquidation of the Company and estimated reserves for contingent liabilities.

Changes in Carrying Value

On a quarterly basis, the Company reviews the estimated net realizable values, liquidation costs and the estimated date of the completion of the liquidation of the Company and records any significant changes. The Company will also evaluate an asset when it is under contract for sale and the buyer's contingencies have been removed. During the period that this occurs, the carrying value of the asset and the estimated closing and other costs will be adjusted, if necessary. If the Company has a change in its plan for the disposition of an asset, the carrying value will be adjusted to reflect this change in the period that the change is approved. The change in value may also include a change to the accrued liquidation costs related to the asset.

All changes in the estimated liquidation value of the Company's assets, real estate held for sale, or other assets and liabilities are reflected as a change to the Company's net assets in liquidation.

Item 3. Quantitative and Qualitative Disclosures about Market Risk

Not applicable, as the Company is a “smaller reporting company” within the meaning of Rule 12b-2 of the Exchange Act.

Item 4. Controls and Procedures

Disclosure Controls and Procedures

As of the end of the period covered by this report, management and the Liquidation Trustee evaluated the effectiveness of the design and operation of our disclosure controls and procedures. Based upon, and as of the date of, the evaluation, management and the Liquidation Trustee concluded that the disclosure controls and procedures were effective as of the end of the period covered by this report to ensure that information required to be disclosed in the reports we file and submit under the Exchange Act is recorded, processed, summarized and reported as and when required. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by us in the reports we file and submit under the Exchange Act is accumulated and communicated to our management, including the Liquidation Trustee, as appropriate to allow timely decisions regarding required disclosure.

Management’s Report on Internal Control Over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting, as such term is defined in Rule 13a-15(f) or 15d-15(f) promulgated under the Securities Exchange Act of 1934, as amended.

In connection with the preparation of our Form 10-Q, our management and the Liquidation Trustee assessed the effectiveness of our internal control over financial reporting as of March 31, 2023. In making that assessment, management used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) in *Internal Control-Integrated Framework* (2013).

Based on its assessment, our management and the Liquidation Trustee believes that, as of March 31, 2023, our internal control over financial reporting was effective based on those criteria. There have been no changes in our internal control over financial reporting that occurred during the quarter ended March 31, 2023 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II. OTHER INFORMATION

Item 1. Legal Proceedings

Below are descriptions of pending litigation. As the Company is the plaintiff in these legal proceedings and does not have the ability to estimate the ultimate recovery amount until they are settled, and in accordance with the Company's accounting policy, no recoveries have been recorded in the Company's consolidated financial statements for these legal proceedings, other than for settlements for which the Trust has entered into a signed settlement agreement and collectability is reasonably assured.

Goldberg v. Halloran & Sage LLP, et al., Case No. 19STCV42900 (Cal. Super. Ct., L.A. Cnty., filed Dec. 2, 2019), is an action by the Trust against nine law firms (Halloran & Sage LLP; Balcomb & Green, P.C.; Rome McGuigan, P.C.; Haight Brown & Bonesteel LLP; Bailey Cavaleri LLC; Sidley Austin LLP; Davis Graham & Stubbs LLP; Robinson & Cole LLP; and Finn Dixon & Herling LLP) and ten individual attorneys (Richard Roberts, Lawrence R. Lee Terry, Jr., and the “Doe” defendants for aiding and abetting securities fraud (Forty-Third Count), aiding and abetting fraud (Forty-Fourth Count), aiding and abetting breach of fiduciary duty (Forty-Fifth Count), negligent misrepresentation (Forty-Sixth Count), professional negligence (Forty-Seventh Count), and aiding and abetting conversion (Forty-Eighth Count). These defendants are alleged to be jointly and severally liable for rescission of investors’ purchases of securities and for damages in an amount believed to be in excess of \$200 million, as well as for punitive damages.

The ninth set of counts in the complaint are against law firm Robinson & Cole LLP, attorney Shant Chalian, and the “Doe” defendants for aiding and abetting securities fraud (Forty-Ninth Count), aiding and abetting fraud (Fiftieth Count), aiding and abetting breach of fiduciary duty (Fifty-First Count), negligent misrepresentation (Fifty-Second Count), professional negligence (Fifty-Third Count), and aiding and abetting conversion (Fifty-Fourth Count). These defendants are alleged to be liable for damages in an amount believed to be in excess of \$5 million, as well as for provisional remedies, avoidance of the transfers, and punitive damages.

The case was designated as a complex matter on December 18, 2019 and was assigned to the Honorable Amy Hogue.

On March 20, 2020, two sets of defendants – Sidley Austin LLP and Neal Sullivan; and Davis Graham & Stubbs LLP and S. Lee Terry, Jr. – filed special motions to strike the portions of the complaint directed at them under a California statute (Civil Procedure Code section 425.16) that permits defendants to bring early challenges to causes of action against them that allegedly arise from protected litigation activity if those causes of action lack minimal merit. The defendants that filed these special motions to strike asserted that the claims against them arise from communicative conduct in the course of quasi-judicial proceedings, such as regulatory inquiries, and that the Trust cannot establish a likelihood of prevailing on its claims against them. The Trust opposed these motions, and the matters were heard on July 28, 2020, and taken under submission on that date. On August 14, 2020, the Court entered orders: (i) granting the motion to strike filed by Sidley Austin LLP and Neal Sullivan, and (ii) granting in part and denying in part the motion to strike filed by Davis Graham & Stubbs LLP and S. Lee Terry, Jr. In September 2020, the Trust filed notices of appeal of the foregoing orders, and Davis Graham & Stubbs LLP and S. Lee Terry, Jr. subsequently filed a cross-appeal. On January 27, 2021, the Court entered an order granting, in part, a motion for attorneys’ fees filed by Sidley Austin LLP and Neal Sullivan, pursuant to which the movants were awarded \$282,500.00 in fees and \$5,557.87 in costs. On March 1, 2021, the Trustee filed a notice of appeal of the order granting fees and costs.

PART II. OTHER INFORMATION (CONTINUED)

Item 1. Legal Proceedings (Continued)

On April 13, 2020, four sets of defendants – Rome McGuigan, P.C. and Brian Courtney; Bailey Cavalieri LLC and Thomas Geyer; Robinson & Cole LLP and Shant Chalian; and Finn Dixon & Herling LLP and Reed Balmer – filed motions to quash the service of summonses. The defendants that filed these motions asserted that they are not subject to suit in California because they do not have sufficient contacts with California to justify a California court’s exercise of jurisdiction over them. The Trust opposed these motions, and the matters were heard in part on July 15, 2020 and in part on July 20, 2020, and (with exception of the motion filed by Finn Dixon & Herling LLP and Reed Balmer) were taken under submission on July 20, 2020. The motion filed by Finn Dixon & Herling LLP, and Reed Balmer was taken off calendar prior to July 20, 2020, and the parties thereafter reached a confidential settlement. On July 21, 2020, the Court entered orders granting the motions to quash filed by Rome McGuigan, P.C. and Brian Courtney; Bailey Cavalieri LLC and Thomas Geyer; and Robinson & Cole LLP and Shant Chalian. On September 10, 2020, the Trust filed a notice of appeal of the foregoing orders.

On June 16, 2020, the Trust reached a confidential settlement with Balcomb & Green, P.C. and Lawrence R. Green. On July 6, 2020, these defendants filed a motion seeking the Court’s determination that the settlement was made in good faith under a California statute (Civil Procedure Code section 877.6) that permits settling defendants to seek a good faith settlement finding in order to bar any other defendant from seeking contribution or indemnity. The motion was unopposed, and the Court entered an order granting it on August 12, 2020.

On January 21, 2021, the Trust reached a confidential settlement with Robinson & Cole LLP and Shant Chalian. As part of that settlement, the appeal of the jurisdictional ruling as to those parties has been dismissed.

The other appeals remain pending. On June 14, 2021, the Trustee filed a combined opening brief for all of the appeals other than his appeal of the order granting fees and costs to Sidley Austin LLP. Between September 22 and 29, 2021, the respondents filed their opening briefs. On March 17, 2022, the Trustee filed a combined reply brief for all of the appeals other than his appeal of the order granting fees and costs to Sidley Austin LLP. On June 30, 2022, Davis Graham & Stubbs LLP filed its reply brief in support of its cross-appeal of the order denying a portion of its special motion to strike. The matter is currently fully briefed and the court has scheduled oral argument commencing on June 9, 2023.

The appeal of the award granting fees and costs to Sidley Austin LLP remains pending. The appeal is fully briefed and will be decided following the disposition of the appeal of the underlying order.

In April 2023, the Trust reached a settlement in principal with Bailey Cavalieri LLC and Thomas Geyer that will resolve all litigation between them.

On October 28, 2020, the Trust filed a federal lawsuit against four defendants that prevailed on the motions to quash service of summons in the California state court action (Rome McGuigan, P.C.; Brian Courtney; Bailey Cavalieri LLC; and Thomas Geyer), as well as a fifth defendant (Ivan Acevedo), and certain “Doe” defendants.” The case is styled *Goldberg v. Rome McGuigan, P.C., et al.*, Case No. 2:20-cv-09958-JFW-SK (C.D. Cal.). The complaint contains counts for (i) violations of section 10(b) of the Exchange Act and Rule 10b-5; (ii) aiding and abetting fraud; (iii) aiding and abetting breach of fiduciary duty; (iv) negligent misrepresentation; (v) professional negligence; (vi) aiding and abetting conversion; (vii) actual fraudulent transfer; and (viii) constructive fraudulent transfer. The conduct challenged in the complaint includes certain of the same conduct challenged in the California state court action, and a footnote in the complaint explains: “Plaintiff filed an action in Los Angeles Superior Court against [four of these defendants] raising some of the claims asserted in this action. Those defendants filed a motion to quash service, alleging that the court did not have personal jurisdiction. The Court granted those motions, and Plaintiff appealed. Plaintiff brings this action to preserve his rights and ensure that his claims against [the defendants] are adjudicated on the merits. Should the state court appeal be successful, resulting in two cases being simultaneously litigated on the merits in two forums, [plaintiff] will consider dismissing this action and litigating the case in state court.” On January 4, 2021, the four defendants from the California state court action filed motions to dismiss this federal lawsuit, and on March 4, 2021, the court entered an order granting those motions in part by dismissing the first count (arising under the federal securities laws), without ruling on the remaining counts (arising under state law) in light of potential personal jurisdiction issues. On March 29, 2021, the same four defendants again moved to dismiss the remaining counts for lack of personal jurisdiction. On April 23, 2021 the federal court entered an order granting those motions, but has not yet entered a final judgment.

PART II. OTHER INFORMATION (CONTINUED)

Item 1. Legal Proceedings (Continued)

Avoidance actions. The Trust is currently prosecuting several legal actions to recover preferential payments, fraudulent transfers, and other funds subject to recovery by the bankruptcy estate. These actions were filed in the United States Bankruptcy Court for the District of Delaware (the “[Bankruptcy Court](#)”), are pending before the Honorable J. Kate Stickles, and generally fall into the following categories:

- *Preferential transfers and/or fraudulent transfers (Noteholders and Unitholders).* Certain of the actions include claims arising under chapter 5 of the Bankruptcy Code and seek to avoid or recover payments made by the Debtors: (1) during the 90 days prior to the December 4, 2017 bankruptcy filing, including payments to miscellaneous vendors and former Noteholders and Unitholders; and/or (2) during the course of the Ponzi scheme (from July 2012 through the December 4, 2017 bankruptcy filing) for interest paid to former Noteholders and Unitholders.
- *Fraudulent transfers (Shapiro personal expenses).* Two remaining actions include claims arising under chapter 5 of the Bankruptcy Code and seek to avoid and recover payments made by the Debtors during the course of the Ponzi scheme (from July 2012 through the December 4, 2017 bankruptcy filing) for the personal expenses of Robert and Jeri Shapiro, including those identified in a forensic report prepared in connection with an SEC enforcement action in the United States District Court for the Southern District of Florida.
- *Fraudulent transfers and fraud (against former agents).* Certain of the actions, which arise under chapter 5 of the Bankruptcy Code and applicable state law governing fraudulent transfers, seek to avoid and recover payments made by the Debtors during the course of the Ponzi scheme (from July 2012 through the December 4, 2017 bankruptcy filing) for commissions to former agents, as well as for fraud, aiding and abetting fraud, and the unlicensed sale of securities asserted by the Trust based on claims contributed to the Trust by defrauded investors. These actions were filed by the Trust in the Bankruptcy Court between November 15, 2019 and December 4, 2019. Actions of this type are also being pursued by the SEC, and it is the Trust’s understanding that any recoveries obtained by the SEC will be transmitted to the Trust pursuant to a Fair Fund established by the SEC.
- *Fraudulent transfers (Kenneth Halbert).* The Trust is pursuing fraudulent transfer claims against Kenneth Halbert to avoid and recover prepetition payments of principal and interest to Mr. Halbert. The Trust filed its initial complaint on December 1, 2019 and the operative first amended complaint on December 7, 2021. Fact discovery closed on April 24, 2023 and expert discovery is currently underway. The court has not yet set a trial date.

The Trust has filed over 400 legal actions of this nature, many of which have been resolved, resulting in recoveries by or judgments in favor of the Trust. As of April 30, 2023, 46 legal actions remain pending.

Since inception and as of April 30, 2023, the Trust has entered into settlements in approximately 227 legal actions and approximately 245 potential avoidance claims for which litigation was not filed, resulting in aggregate settlements of approximately \$18.18 million of cash payments made or due to the Trust and approximately \$11.21 million in reductions of claims against the Trust.

Additionally, the Trust has obtained judgments of approximately \$158.96 million, including default judgments of approximately \$150.98 million and stipulated judgments of approximately \$7.98 million. It is unknown at this time how much, if any, will ultimately be collected on the judgments. Stipulated and default judgments are commonly obtained where the defendant has insufficient assets with which to respond to a judgment. As a result, the prospect of any recoveries on the judgments is subject to various extrinsic factors, including collectability, that impact whether any sums will be recovered.

PART II. OTHER INFORMATION (CONTINUED)

Item 1. Legal Proceedings (Continued)

Other legal proceedings. In addition, other legal proceedings were prosecuted by the Trust and United States governmental authorities, which actions resulted in recoveries in favor of the Trust. Such actions include:

- *Actions regarding the Shapiro's personal assets.* On December 4, 2019, the Trust filed an action in the Bankruptcy Court, Adv. Pro. No. 10-51076 (BLS), *Woodbridge Liquidation Trust v. Robert Shapiro, Jeri Shapiro, 3X a Charm, LLC, Carbondale Basalt Owners, LLC, Davana Sherman Oaks Owners, LLC, In Trend Staging, LLC, Midland Loop Enterprises, LLC, Schwartz Media Buying Company, LLC and Stover Real Estate Partners LLC*. In this action, the Trust asserts claims under chapter 5 of the Bankruptcy Code and applicable state law for avoidance of preferential and fraudulent transfers together with claims for fraud, aiding and abetting fraud, the unlicensed sale of securities, breach of fiduciary duty and unjust enrichment. The Trust seeks to recover damages and assets held in the names of Robert Shapiro, Jeri Shapiro and their family members and entities owned or controlled by them, which assets the Trust contends are beneficially owned by the Debtors or for which the Debtors are entitled to recover based on the Shapiros' defalcations, including over \$20 million in avoidable transfers. On February 4, 2022, the Trust entered into a Settlement Agreement with Ms. Jeri Shapiro resolving the Trust's adversary proceeding against Ms. Shapiro. In connection with the Settlement Agreement, Ms. Shapiro responded to interrogatories from the Trust and submitted a declaration under penalty of perjury detailing her lack of assets. Upon execution of the Settlement Agreement, Ms. Shapiro executed and delivered a Stipulated Judgment for approximately \$20.6 million that will be held by the Trust in escrow for three years that can be entered without notice if the Trust learns Ms. Shapiro's representations in her declaration were false or materially inaccurate. Additionally, Ms. Shapiro authorized the Trust to expunge the filed claims of certain co-defendants she was listed as an officer and turned over payments to the Trust that were received by certain co-defendants in the adversary proceeding. A stipulation of dismissal (as to Ms. Shapiro only) was entered on April 1, 2022.
- *Criminal proceeding and forfeiture.* In connection with the United States' criminal case against Robert Shapiro (Case No. No. 19-20178-CR-ALTONAGA (S.D. Fla. 2019)), Shapiro agreed to the forfeiture of certain assets. The Trust filed a petition in the Florida court to claim the Forfeited Assets as property of the Debtors' estates, and therefore as property that had vested in the Trust pursuant to the Plan. The Trust has entered into an agreement with the United States Department of Justice to resolve its claim. The agreement was approved by the Bankruptcy Court on September 17, 2020 and was approved by the United States District Court on October 1, 2020. Among other things, the agreement provides for the release of specified Forfeited Assets by the United States to the Trust, and for the Trust to liquidate those assets and distribute the net sale proceeds to Qualifying Victims, which include the vast majority of Trust beneficiaries—specifically, all former holders of Class 3 and 5 claims under the Plan and their permitted assigns—but do not include former holders of Class 4 claims under the Plan. The Trust has taken possession of the Forfeited Assets and has sold the wine and gold assets as well as an automobile. Some of the jewelry, art, clothing, handbags and shoes have also been sold.

Wind-Down Group litigation. The Wind-Down Group owns a portfolio of real estate assets, which includes secured loans and other properties. As part of its recovery efforts, the Wind-Down Group, through its subsidiaries, is involved in ordinary routine litigation incidental to such assets. Among other litigation, certain Woodbridge entities (including the Trust, the Wind-Down Entity, and WB 8607 Honoapiilani, LLC) filed an action against Certain Underwriters at Lloyd's of London in Los Angeles Superior Court, alleging that the defendant insurer breached its obligations under an insurance policy purchased to protect a property owned by WB 8607 Honoapiilani (a subsidiary of the Wind-Down Entity) in Hawaii, which property was destroyed by fire in August 2017. The Superior Court granted the defendant's motion for summary judgment, and on March 25, 2021 entered judgment in favor of the defendant. The judgment provided that plaintiffs take nothing by way of the complaint. Further, the judgment provided that defendant refund plaintiffs for the premium payments under the insurance policy at issue in the lawsuit (\$110,829.43), less all amounts paid by the defendant in respect of claims under the policy (\$97,770.38) and less defendant's costs (defendant requested costs of \$9,874.71). Plaintiffs appealed the judgment. The appeal was fully briefed and oral argument took place before the Court of Appeal on November 21, 2022. After extending its time to rule on the submitted matter, the Court of Appeal entered its ruling on April 19, 2023. In an unpublished opinion, the Court of Appeal affirmed the judgment of the Superior Court and awarded costs on appeal to the respondent Underwriters. Although the Wind Down Entity has a right to petition the California Supreme Court for review, such petitions are rarely granted, and counsel does not believe that there is a realistic chance that the petition would be granted, particularly since the Court of Appeal opinion is unpublished and will not be citable precedent in California. If no petition for review is filed, the Court of Appeal opinion becomes final in 30 days after entry.

PART II. OTHER INFORMATION (CONTINUED)

Item 1A. Risk Factors

In addition to other information set forth in this Quarterly Report on Form 10-Q, you should carefully consider the following risk factor, which supplements and should be read in conjunction with the information appearing under Item 1.A. Risk Factors in Part I in our Annual Report on Form 10-K filed with the SEC on September 26, 2022.

Our cash and cash equivalents may be exposed to the failure of banking institutions. While we seek to minimize our exposure to third-party losses of our cash and cash equivalents, we hold our balances in a number of large financial institutions. Notwithstanding their size and reserves, such institutions remain subject to the risk of failure. The Company did have a banking relationship with First Republic Bank, which was seized and sold to JP Morgan on May 1, 2023. The Company's deposits were within the FDIC insurance limits. The recent failures of First Republic Bank, Silicon Valley Bank and Signature Bank have had and may continue to have an adverse impact on other financial institutions, the extent of which impact cannot be foreseen at this time. If, in the future, the financial institutions with which we maintain deposits or transact business enter into receivership or become insolvent, there can be no guarantee that the Department of the Treasury, the Federal Reserve or the FDIC will intercede to protect depositors and customers. If, at any time, our deposits with any financial institution exceed the FDIC insurance limit, the Company's deposits may be subject to loss. The Company's access to its cash and cash equivalents could also become limited, impairing the Company's ability to fund its remaining liquidation activities. In addition, if any parties with which we conduct business are unable to access funds pursuant to lending relationships or their deposit accounts with such a financial institution, the ability of such parties to continue to perform their obligations to us could be adversely affected, which, in turn, could have a material adverse effect on our liquidation activities and changes in net assets in liquidation.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

In accordance with the Plan, all Liquidation Trust Interests have been issued without registration under the Securities Act. The Liquidation Trust Interests have been issued only to holders of allowed claims in Class 3, Class 4, and Class 5 under the Plan entirely in exchange for such claims. See "Item 1. Business - D. Plan Provisions Regarding the Company - 2. Treatment under the Plan of holders of claims against and equity interests in the Debtors" of our Annual Report on Form 10-K filed with the SEC on September 26, 2022. During the period from February 15, 2019 (inception) through March 31, 2023 the Trust has issued an aggregate of 11,542,087 Class A Interests and an aggregate of 677,790 Class B Interests. As of March 31, 2023, the Trust had 11,514,190 Class A Interests and 675,617 Class B Interests outstanding. All Liquidation Trust Interests were issued on the Plan Effective Date or from time to time thereafter as soon as practicable as and when claims in Class 3, Class 4 or Class 5 have become allowed.

During the three months ended March 31, 2023, the Trust did not issue any Liquidation Trust Interests.

The issuance of Liquidation Trust Interests has occurred in reliance upon the exemption from the registration requirements of the Securities Act afforded by Section 1145(a)(1) of the Bankruptcy Code. Section 1145(a)(1) exempts the offer and sale of securities under a plan of reorganization from registration under the Securities Act and state securities laws and regulation if (i) the securities are offered and sold under a plan of reorganization and are securities of the debtor, of an affiliate of the debtor participating in a joint plan with the debtor, or of a successor to the debtor under the plan; (ii) the recipients of the securities hold a pre-petition or administrative claim against the debtor or an interest in the debtor; and (iii) the securities are issued entirely in exchange for the recipient's claim against or interest in the debtor, or principally in such exchange and partly for cash or property. The Trust believes that the Liquidation Trust Interests are securities of a "successor" to the Debtors within the meaning of Section 1145(a)(1), and such securities were issued under the Plan entirely in exchange for allowed claims in Class 3, Class 4, and Class 5 under the Plan.
