**1) Formation and Description of Business**

Formation

Woodbridge Liquidation Trust (the “Trust”) was established (i) for the purpose of collecting, administering, distributing and liquidating the Trust assets for the benefit of the Trust beneficiaries in accordance with the Liquidation Trust Agreement of the Trust and the First Amended Joint Chapter 11 Plan of Liquidation of Woodbridge Group of Companies, LLC and its Affiliated Debtors dated August 22, 2018 (as amended, modified, supplemented or restated from time to time, the “Plan”); (ii) to resolve disputed claims asserted against the Debtors; (iii) to litigate and/or settle causes of action (“Causes of Action”); and (iv) to pay certain allowed claims and statutory fees, as required by the Plan. Woodbridge Group of Companies, LLC and its affiliated debtors are individually referred to herein as a Debtor and collectively as the Debtors. The Trust was formed on February 15, 2019 (the “Plan Effective Date”) as a statutory trust under Delaware law.

On the Plan Effective Date, in accordance with the Plan, (a) the following assets automatically vested in the Trust: (i) an aggregate \$5,000,000 in cash from the Debtors for the purpose of funding the Trust’s initial expenses of operation; (ii) certain claims and Causes of Action; (iii) all of the outstanding equity interests of the Wind-Down Entity (as defined below); and (iv) certain other non-real estate related assets, (b) the equity interests of Woodbridge Group of Companies, LLC and Woodbridge Mortgage Investment Fund 1, LLC (together, the “Remaining Debtors”) were cancelled and new equity interests representing all of the newly issued and outstanding equity interests in the Remaining Debtors were issued to the Trust, (c) all of the other Debtors other than the Remaining Debtors were dissolved and (d) the real estate-related assets of the Debtors were automatically vested in the Trust’s wholly-owned subsidiary, Woodbridge Wind-Down Entity LLC (the “Wind-Down Entity”) or one of the Wind-Down Entity’s 43 wholly-owned single member LLCs (the “Wind-Down Subsidiaries”) formed to own the respective real estate assets. The Trust, the Remaining Debtors, the Wind-Down Entity and the Wind-Down Subsidiaries are collectively referred to herein as the “Company.”

As further discussed in Note 8, the Trust has two classes of liquidation trust interests, Class A Liquidation Trust Interests (“Class A Interests”) and Class B Liquidation Trust Interests (“Class B Interests”). The holders of Class A Interests and Class B Interests are collectively referred to as “All Interestholders.”

On December 24, 2019, the Trust’s Registration Statement on Form 10 became effective under the Securities Exchange Act of 1934 (the “Exchange Act”). The trading symbol for the Trust’s Class A Interests is WBQNL. Bid and asked prices for the Trust’s Class A Interests are quoted on the OTC Link ATS, the SEC-registered alternative trading system. The Class A Interests are eligible for the Depository Trust Company’s Direct Registration System (“DRS”) services. The Class B Interests are not registered with the SEC.

The Trust will be terminated upon the first to occur of (i) the making of all distributions required to be made and a determination by the Liquidation Trustee that the pursuit of additional causes of action held by the Trust is not justified or (ii) February 15, 2024, subject to an extension of the term if approved by the Bankruptcy Court as necessary to facilitate or complete the recovery on, and liquidation of, the Trust assets which was approved on December 20, 2023 (see below).

During the year ended June 30, 2023, the Company concluded that its liquidation activities would not be completed by February 15, 2024, which was the original outside termination date of the Trust, for a number of reasons. First, there had been significant delays in certain legal proceedings where the Company is the plaintiff. Second, a construction defect claim was asserted against one of the Wind-Down Subsidiaries by the buyer of one of the subsidiary’s single-family homes. The subsidiary has tendered the claim to its insurance carriers; however, the carriers have not yet accepted the claim. At this time, the amount of the liability exposure has not been determined and the subsidiary’s exposure is unknown. The subsidiary is investigating the claim, including the extent and causes of the alleged damage and the identification of other potentially responsible persons. Based on the foregoing, the Company currently projects a revised estimated completion date for the Company’s operations of approximately March 31, 2026.

**For the Three and Six Months Ended December 31, 2023 and 2022 (Unaudited)**

The Company filed a motion with the Bankruptcy Court to extend the termination date of the Trust from February 15, 2024 through and including March 31, 2026. On December 20, 2023, the Bankruptcy Court granted the Company's motion to extend the termination date through and including March 31, 2026, as requested by the Trust.

Description of Business

The Company is required to liquidate its assets and distribute available cash to the Trust beneficiaries. The liquidation activities are carried out by the Trust, the Wind-Down Entity and the Wind-Down Subsidiaries. As of December 31, 2023, the Company presently estimates that the liquidation activities will be completed by approximately March 31, 2026.

The Trust is prosecuting various Causes of Action acquired by the Trust pursuant to the Plan and is resolving claims asserted against the Debtors. As of December 31, 2023, the Company is the plaintiff in several pending lawsuits. During the three months ended December 31, 2023 and 2022, the Company recorded settlement recoveries of approximately \$82,000 and \$41,000, respectively, and during the six months ended December 31, 2023 and 2022, the Company recorded settlement recoveries of approximately \$34,510,000 and \$231,000, respectively, from the settlement of Causes of Action (see Note 11 for additional information). The Company also recorded liabilities of 5% of the settlement recoveries as amounts payable to the Liquidation Trustee. The Company has accrued an estimate of the amount of legal costs to be incurred to pursue the remaining Causes of Action, excluding contingent fees. As more fully discussed in Note 2, the Company's consolidated financial statements do not include any estimate of future net recoveries from litigation and settlement, since the Company cannot reasonably estimate them.

The Wind-Down Entities' operations are almost complete. As of December 31, 2023, the Wind-Down Subsidiaries owned one performing secured loan and one single-family home subject to a life estate (see Note 4 for additional information).

As more fully discussed in Note 2, the Company uses the Liquidation Basis of Accounting. The Trust currently operates as one reportable segment. Net assets in liquidation represent the remaining estimated aggregate value available to Trust beneficiaries upon liquidation, with no discount for the timing of proceeds (undiscounted). Net liquidation proceeds, other recoveries and actual liquidation costs may differ materially from the estimated amounts due to the uncertainty in the timing of completing the liquidation activities.

The Trust's expectations about the amount of any additional distributions, if any, and when they will be paid are subject to risks and uncertainties and are based on certain estimates and assumptions, one or more of which may prove to be incorrect. As a result, the actual amount of any additional distributions may differ materially, perhaps in adverse ways, from the Trust estimates. Furthermore, it is not possible to predict the timing of any additional distributions and any such distributions may not be made within the timing referenced, if any, in the consolidated financial statements.

*No assurance can be given that total distributions will equal or exceed the estimate of net assets in liquidation presented in the consolidated statements of net assets in liquidation.*

**2) Summary of Significant Accounting Policies**

Basis of Presentation and Consolidation

The accompanying unaudited consolidated financial statements of the Company have been prepared in accordance with U.S. Generally Accepted Accounting Principles ("U.S. GAAP") and pursuant to the rules and regulations of the Securities and Exchange Commission (the "SEC"), including the instructions to Form 10-Q and Article 10 of Regulation S-X. In the opinion of management, the consolidated financial statements for the unaudited interim periods presented include all adjustments, which are of a normal and recurring nature, necessary for a fair and consistent presentation of the results for such periods. These consolidated financial statements have been presented in accordance with Accounting Standards Codification ("ASC") Subtopic 205-30, "Liquidation Basis of Accounting," as amended by Accounting Standards Update ("ASU") No. 2013-07, "Presentation of Financial Statements (Topic 205), Liquidation Basis of Accounting." The June 30, 2023 consolidated statement of net assets in liquidation included herein was derived from the audited consolidated financial statements but does not include all disclosures or notes required by U.S. GAAP for complete financial statements.

**Notes to Consolidated Financial Statements**

All material intercompany accounts and transactions have been eliminated.

Use of Estimates

U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the consolidated financial statements and for the period then ended. Actual results could differ from these estimates. Estimates and assumptions are reviewed periodically, and the carrying amounts of assets and liabilities are revised in the period that available information supports a change in the carrying amount.

Liquidation Basis of Accounting

Under the liquidation basis of accounting, all assets are recorded at their estimated net realizable value or liquidation value, which represents the estimated amount of net cash that will be received upon the disposition of the assets (on an undiscounted basis). The measurement of real estate assets was based on current contracts (if any), if contingencies have been removed, estimates and other indications of sales value, net of estimated selling costs.

Liabilities, including estimated costs associated with implementing and completing the Plan, are measured in accordance with U.S. GAAP that otherwise applies to those liabilities. The Company has recorded estimated development costs such as costs to be incurred to prepare the assets for sale, estimated reserves for contingent liabilities including potential construction defect claims and the estimated general and administrative costs to be incurred until the completion of the liquidation of the Company. When estimating development costs, the Company considered estimates of costs to complete punch list items and to address potential construction defect claims and other costs. Projected general and administrative cost estimates take into account operating costs through the completion of the liquidation of the Company, currently estimated to be approximately March 31, 2026, and an accrual for the administration of potential construction defect claims.

These estimated amounts are presented in the accompanying consolidated statements of net assets in liquidation. All changes in the estimated liquidation value of the Company's real estate or other assets and liabilities are reflected as a change to the Company's net assets in liquidation.

On a quarterly basis, the Company reviews the estimated net realizable values, liquidation costs and the estimated date of the completion of the liquidation of the Company and records any significant changes. If the Company has a change in its plan for the disposition of an asset, the carrying value will be adjusted to reflect this change in the period that the change is approved. The change in value may include the accrued liquidation costs related to the asset.

Other Assets

The Company recognizes recoveries from the settlement of unresolved Causes of Action when an agreement is executed, final court approval is received (if required), and collectability is reasonably assured. The amount recovered may be material to the Company's net assets in liquidation.

**PART I. FINANCIAL INFORMATION (CONTINUED)**

**Item 1. Financial Statements (Continued)**

**Woodbridge Liquidation Trust and Subsidiaries**

**Notes to Consolidated Financial Statements**

**For the Three and Six Months Ended December 31, 2023 and 2022 (Unaudited)**

An allowance for uncollectible settlement installment receivables is recorded when there is doubt about the collectability of the receivable. The Company records escrow receivables at the amount that is expected to be received when the escrow receivable is released. The Forfeited Assets (Note 6) received from the United States Department of Justice (the “DOJ”), other than cash, have been recorded at their estimated net realizable value. The Company accrues expected interest earnings when it can reasonably estimate the amount to be received.

In addition, the Company recognizes other amounts to be received based on contractual terms or when the amounts to be received are certain.

Accrued Liquidation Costs

The Company accrues estimated liquidation costs to the extent they are reasonably determinable. These costs consist of (a) estimated development costs including the costs to complete punch list items, bond refunds and estimated reserves for contingent liabilities including potential construction defect claims and other costs and (b) estimated general and administrative costs including payroll, legal and other professional fees, trustee and board fees, rent and other office related expenses, and other general and administrative costs to operate the Company and the administration of construction defect claims.

Cash Equivalents

The Company considers short-term investments that have a maturity date of 90 days or less at the time of investment to be a cash equivalent.

Restricted Cash

Restricted cash includes cash that can only be used for certain specified purposes as described in Note 3.

Concentrations of Credit Risk

Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash, cash equivalents and restricted cash, which are held as deposits in several financial institutions. The deposit balances in any one financial institution may exceed the Federal Deposit Insurance Corporation (the “FDIC”) insurance limits. The Company mitigates this risk by using sweep accounts to reduce deposit balances at any one financial institution consistent with FDIC insurance limits.

Income Taxes

The Trust is intended to be treated as a grantor trust for income tax purposes and, accordingly, is not subject to federal or state income tax on any income earned or gain recognized by the Trust. The Trust’s beneficiaries will be treated as the owner of a pro rata portion of each asset, including cash and each liability received by and held by the Trust. Each beneficiary will be required to report on his or her federal and state income tax return his or her pro rata share of taxable income, including gains and losses recognized by the Trust. Accordingly, there is no provision for federal or state income taxes recorded in the accompanying consolidated financial statements.

The Company regularly analyzes its various federal and state filing positions and only recognizes the income tax effect in the consolidated financial statements when certain criteria regarding uncertain income tax positions have been met. The Company believes that its income tax positions would more likely than not be sustained upon examination by all relevant taxing authorities. Therefore, no provision for uncertain income tax positions has been recorded in the consolidated financial statements.

Net Assets in Liquidation - Restricted for Qualifying Victims

The Company separately presents the portion of net assets in liquidation that are restricted for Qualifying Victims (see Note 6) from the net assets in liquidation that are available to All Interestholders.

Qualifying Victims include the vast majority of Trust beneficiaries (specifically, all former holders of allowed Class 3 and 5 claims and their permitted assigns), but do not include former holders of Class 4 claims. Distributions to Qualifying Victims are to be allocated pro-rata based on their net allowed claims without considering the (i) 5% enhancement for contributing their causes of action and (ii) 72.5% Class 5 coefficient.

On February 7, 2023, the Trust was informed that the DOJ had received additional Forfeited Assets from a co-defendant of Robert Shapiro and that the DOJ proposes to transfer these Forfeited Assets to the Trust. On December 12, 2023, the DOJ granted the Trust's petition for remittance of the additional Forfeited Assets. At this time, the Trust is unable to estimate the precise amount or timing of the transfer of any such Forfeited Assets and, therefore, the above table excludes such future proceeds. The proceeds from any additional Forfeited Assets would be distributed to Qualifying Victims.

**9) Distributions**

The Plan provides for a distribution waterfall that specifies the priority and manner of distribution of available cash to all Interestholders, excluding distributions of the net sales proceeds from Forfeited Assets (see Note 6). Distributions are to be made (a) to the Class A Interests until they have received distributions of \$75.00 per Class A Interest; thereafter (b) to the Class B Interests until they have received distributions of \$75.00 per Class B Interest; thereafter (c) to each Liquidation Trust Interest (whether a Class A Interest or Class B Interest) until the aggregate of all distributions made pursuant to this clause equals an amount equivalent to interest, at a per annum fixed rate of 10%, compounded annually, accrued on the aggregate principal amount of all Net Note Claims, Allowed General Unsecured Claims and Net Unit Claims, all as defined in the Plan, treating each distribution pursuant to (a) and (b) above as reductions of such principal amount; and thereafter (d) to the holders of Allowed Subordinated Claims, as defined in the Plan, until such claims are paid in full, including interest, at a per annum fixed rate of 10% or such higher rate as may be agreed to, as provided for in the Plan, compounded annually, accrued on the principal amount of each Allowed Subordinated Claim, as defined.

**Woodbridge Liquidation Trust and Subsidiaries**

**Notes to Consolidated Financial Statements**

**For the Three and Six Months Ended December 31, 2023 and 2022 (Unaudited)**

On August 3, 2023, at the recommendation of the Liquidation Trustee, the Trust suspended the making of additional distributions pending the results of the Company’s investigation of a construction defect claim against one of the Wind-Down Subsidiaries by the buyer of one of the subsidiary’s single-family homes. There were no distributions declared or paid during the three and six months ended December 31, 2023.

There were no distributions declared or paid during the three months ended December 31, 2022. The following distribution was paid during the six months ended December 31, 2022 relating to the tenth distribution (\$ in millions, except for \$ per Class A Interest):

	Date Declared	\$ per Class A Interest	Six Months Ended December 31, 2022		
			Total Declared	Paid	Deposit Into Restricted Cash Account
Tenth	6/15/2022(a)	\$ 5.63	\$ -	\$ 64.19	\$ 0.82

(a) The distribution was declared on June 15, 2022 and was paid on July 15, 2022. The deposit into the restricted cash account with respect to the tenth distribution was made on July 26, 2022.

As claims are resolved, additional Class A Interests may be issued or cancelled. Therefore, the total amount of a distribution declared may change. In addition, distributions may change if Interestholders that were previously deemed to have forfeited their rights to receive Class A Interest distributions subsequently respond and if overpaid distributions are returned.

For every distribution, a deposit is made into a restricted cash account for amounts (a) payable for Class A Interests that may be issued in the future upon the allowance of unresolved claims, (b) in respect of Class A Interests issued on account of recently allowed claims, (c) for holders of Class A Interests who failed to cash distribution checks mailed in respect of prior distributions, (d) for distributions that were withheld due to pending avoidance actions and (e) for holders of Class A Interests for which the Trust is waiting for further beneficiary information.

During the three months ended December 31, 2023 and 2022, as (a) claims were resolved, (b) claims were recently allowed, (c) addresses for holders of uncashed distribution checks were obtained, (d) pending avoidance actions were resolved and (e) further beneficiary information was received, distributions of approximately \$15,000 and \$6,000, respectively, were paid to holders of Class A Interests from the restricted cash account and distributions payable were reduced by the same amounts. During the six months ended December 31, 2023 and 2022, distributions of approximately \$15,000 and \$657,000, respectively, were paid to holders of Class A Interests from the restricted cash account and distributions payable were reduced by the same amounts.

During the three months ended December 31, 2023 and 2022, as a result of claims being disallowed or Class A Interests being cancelled, approximately \$333,000 and \$0, respectively, and during the six months ended December 31, 2023 and 2022, approximately \$373,000 and \$2,638,000, respectively, were released from the restricted cash account and distributions payable were reduced by the same amounts.

As a result of distribution checks that had not been cashed within 180 days of their issuance, Interestholders were deemed to have forfeited their rights to reserved and future Class A Interest distributions. During the three and six months ended December 31, 2023 and 2022, some Interestholders that had previously been deemed to have forfeited their rights to receive Class A Interest distributions had responded and, therefore, approximately \$0 and \$12,000, respectively, were added to the restricted cash account and distributions payable were increased by the same amounts.

**10) Related Party Transactions**

Terry Goebel, a member of the Trust Supervisory Board, is president and a principal owner of G3 Group LA (“G3”), a construction firm specializing in the development of high-end luxury residences. G3 is owned by Terry Goebel and his son Kelly Goebel. During the year ended June 30, 2023, the Company completed its contract with G3 for the development of one single-family home in Los Angeles, California. As of December 31, 2023 and June 30, 2023, there were no remaining amounts payable under this contract. During the three months ended December 31, 2023 and 2022, and the six months ended December 31, 2023 and 2022, no payments were paid by the Company to G3 related to this contract.

The Liquidation Trustee of the Trust is entitled to receive 5% of the total gross amount recovered by the Trust from the pursuit of the Causes of Action. During the three months ended December 31, 2023 and 2022, approximately \$4,000 and \$2,000, respectively, and during the six months ended December 31, 2023 and 2022, approximately \$2,484,000 and \$9,000, respectively, were accrued as amounts due to the Liquidation Trustee. As of December 31, 2023 and June 30, 2023, approximately \$29,000 and \$32,000, respectively, were payable to the Liquidation Trustee. These amounts are included in accounts payable and accrued liabilities in the accompanying consolidated statements of net assets in liquidation. During the three months ended December 31, 2023 and 2022, approximately \$1,275,000 and \$0, respectively, and during the six months ended December 31, 2023 and 2022, approximately \$2,487,000 and \$0, respectively, were paid to the Liquidation Trustee.

In November 2019, the Trust entered into an arrangement with Akerman LLP, a law firm based in Miami, Florida, of which the Liquidation Trustee is a partner, for the provision, at the option of the Trust on an as-needed basis, of e-discovery and related litigation support services in connection with the Trust’s prosecution of the Causes of Action. Under the arrangement, the Trust is charged for the services at scheduled rates per task which, depending on specific task, include flat rates, rates based on volume of data processed, rates based on the number of data users, the hourly rates of Akerman LLP personnel, or other rates. During the three months ended December 31, 2023 and 2022, approximately \$106,000 and \$115,000, respectively, and during the six months ended December 31, 2023 and 2022, approximately \$212,000 and \$268,000, respectively, were paid related to these services and there are no outstanding payables as of December 31, 2023 and June 30, 2023.

The executive officers of the Wind-Down Entity were entitled to a bonus based on the Wind-Down Entity achieving certain specified cumulative amounts of distributions to the Trust. Effective January 1, 2023, there were no remaining bonus arrangements for the executive officers. Accordingly, no amounts are accrued as of December 31, 2023 and June 30, 2023. During the three months ended December 31, 2023 and 2022, \$0 and \$1,200,000, respectively, and during the six months ended December 31, 2023 and 2022 approximately \$0 and \$3,273,000, respectively, were paid related to bonuses.

**11) Causes of Action**

One of the Trust’s liquidation activities is to litigate and/or settle Causes of Action. The main areas of litigation have involved actions against Comerica Bank, law firms and individual attorneys and avoidance actions. The Company recognizes recoveries from settlements when an agreement is executed, final court approval is received (if required), and collectability is reasonably assured.

In December 2021, the Trust received court approval of its agreement to settle its litigation against Comerica Bank. The Trust has also pursued litigation against nine law firms and 10 individual attorneys.

During the quarter ended December 31, 2023, the Trust and the law firm of Rome McGuigan, P.C. agreed to settle the Trust’s pending litigation against that firm and related defendant for \$5,000,000. The settlement is expected to result in proceeds to the Trust of approximately \$3,328,000, net of attorney’s fees and other litigation expenses. The settlement has not been recorded in the Company’s December 31, 2023 consolidated financial statements because, as of December 31, 2023, it was subject to the California Superior Court granting a motion by Rome McGuigan, P.C. for a court order finding that the settlement has been made by the parties in good faith. The California Superior Court scheduled the motion to be heard on January 23, 2024. See Note 13 for additional information.

**Item 1. Financial Statements (Continued)**

**Woodbridge Liquidation Trust and Subsidiaries**

**Notes to Consolidated Financial Statements**

**For the Three and Six Months Ended December 31, 2023 and 2022 (Unaudited)**

As of December 31, 2023, the cases against seven law firms and eight individual attorneys have been settled or dismissed and litigation against the other two law firms and two individual attorneys are in various stages. See Note 13 for additional information.

The Trust has also filed numerous avoidance actions, most of which have been resolved, resulting in recoveries by or judgments in favor of the Trust. As of December 31, 2023, 34 legal actions remain pending. Additionally, since February 15, 2019 and as of December 31, 2023, the Trust has obtained default and stipulated judgments related to certain avoidance actions. It is unknown at this time how much, if any, will ultimately be collected on the judgments. Therefore, the Company has not recognized any recoveries from these judgments.

During the three months ended December 31, 2023 and 2022, the Company recorded approximately \$82,000 and \$41,000, respectively, and during the six months ended December 31, 2023 and 2022, the Company recorded approximately \$34,510,000 and \$231,000, respectively, from the settlement of Causes of Action. The Company also recorded liabilities of 5% of the settlements as amounts payable to the Liquidation Trustee and an allowance for uncollectible settlement installment receivables. See Note 4 for information about the settlement receivables, net as of December 31, 2023 and June 30, 2023.

**12) Commitments and Contingencies**

Since the Company uses the liquidation basis of accounting, the Company has accrued estimated liquidation costs to the extent they are reasonably determinable, which includes the items discussed in this footnote.

The Company has a lease for its office space that expired on January 31, 2024. This lease was not renewed upon expiration. The monthly base rent was approximately \$4,000 per month. The amount of rent paid, including common area maintenance and parking charges, during the three months ended December 31, 2023 and 2022, was approximately \$14,000 and \$13,000, respectively, and during the six months ended December 31, 2023 and 2022, was approximately \$29,000 and \$25,000, respectively. On December 18, 2023, the Company entered into a new month-to-month lease for office space commencing on January 1, 2024 and can be terminated with no less than one month's notice from the first day of any calendar month. The monthly rent is approximately \$2,000. On December 20, 2023, the Company paid a deposit of approximately \$2,000 related to the new office lease.

The Wind-Down Entity has part-time employment agreements with its two executive officers through December 31, 2023. The agreements renewed automatically on January 1, 2024, subject to the right of either party to terminate the agreement at any time and for any reason on thirty days' advance written notice.

A construction defect claim was asserted against one of the Wind-Down Subsidiaries by the buyer of one of the subsidiary's single-family homes during the year ended June 30, 2023. The subsidiary has tendered the claim to its insurance carriers; however, the carriers have not yet accepted the claim. At this time, the amount of the liability exposure has not been determined and the subsidiary's exposure is unknown. The subsidiary is investigating the claim, including the extent and causes of the alleged damage and the identification of other potentially responsible persons.

The Company is not presently the defendant in any material litigation nor, to the Company's knowledge, is any material litigation threatened against the Company other than as described herein.

**13) Subsequent Events**

The Company evaluates subsequent events up until the date the unaudited consolidated financial statements are issued.

Distributions

During the period from January 1, 2024 through February 12, 2024, as (a) claims were resolved, (b) claims were recently allowed, (c) addresses for holders of uncashed distribution checks were obtained, (d) pending avoidance actions were resolved and (e) further beneficiary information was received, distributions of approximately \$1,000 were paid to holders of Class A Interests from the restricted cash account and distributions payable were reduced by the same amounts.

Causes of Action

On January 19, 2024, the appellate court affirmed the lower court's decision dismissing the Company's litigation against Sidley Austin LLP. The Trust has elected not to seek further appellate review of this ruling. The attorneys' fees and costs owed to Sidley Austin LLP are approximately \$290,000, plus (potentially) additional fees in connection with prosecution of the appeal, the amount of which will not be known until Sidley Austin LLP seeks such additional fees and the trial court considers the issue at some future date.

On January 23, 2024, the California Superior Court granted Rome McGuigan's motion to determine that the settlement with the Trust was reached in good faith. Under the terms of the agreement, payment of the net settlement is expected on or before February 15, 2024 in the amount of approximately \$3,328,000. The Company will record approximately \$250,000 as the amount due to the Liquidation Trustee on account of this settlement.

Forfeited Assets

During the period from January 1, 2024 through February 12, 2024, the Company received net proceeds of approximately \$5,100 from the sale of Forfeited Assets.

### **Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations**

The following discussion and analysis of changes in net assets and net assets in liquidation should be read in conjunction with the accompanying unaudited consolidated financial statements of Woodbridge Liquidation Trust and the related notes thereto. The Trust, the Remaining Debtors, the Wind-Down Entity and the Wind-Down Subsidiaries, as used herein, are defined in Note 1 to the consolidated financial statements and are collectively referred to herein as the Company.

#### Forward-Looking Statements

Certain statements included in this Quarterly Report on Form 10-Q are forward-looking statements. Those statements include, without limitation, financial guidance, projections and statements with respect to expectation of future financial condition, changes in net assets in liquidation, cash flows, plans, targets, goals, objectives, performance, and termination and dissolution of the Trust. Such forward-looking statements (other than historical facts) that address future plans, goals, expectations, activities, events or developments. #### Overview

Pursuant to the Plan, the Trust was formed on February 15, 2019 to hold, either directly or indirectly through the Wind-Down Entity and the Wind-Down Subsidiaries, the assets and equity interests formerly owned by the Debtors. Each of the real properties formerly owned by the Debtors was transferred, on the effective date of the Plan, to one of the Wind-Down Subsidiaries. The purpose of the Wind-Down Group is to develop (as applicable), market, and sell those properties to generate cash. Assets formerly owned by the Debtors other than real estate assets and certain cash were transferred on the Plan Effective Date of the Trust. The purpose of the Trust is to receive remittances of cash from the Wind-Down Entity, to resolve disputed claims, to prosecute the Causes of Action, to pay allowed Administrative Claims and Priority Claims, as defined in the Plan, and, subject to the payment of Trust expenses and the retention of various reserves, to make distributions of cash to Interestholders in accordance with the Plan.

**Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations (Continued)**

The Trust operates pursuant to the Plan and the Trust Agreement. The Trust was formed as a Delaware statutory trust and is administered by the Liquidation Trustee under the supervision of its Supervisory Board. The Wind-Down Entity, a wholly-owned subsidiary of the Trust, operates pursuant to the Plan and the Wind-Down Entity LLC Agreement, as amended. The Wind-Down Entity was formed as a Delaware limited liability company and is administered by its Board of Managers. The current sole member of the Board of Managers is also a member of the Supervisory Board of the Trust.

The Bankruptcy Court has retained certain jurisdictions regarding the Trust, the Liquidation Trustee, the Supervisory Board, the Wind-Down Entity, the Board of Managers, and assets of the Trust and the Wind-Down Entity, including the determination of all disputes arising out of or related to administration of the Trust and the Wind-Down Entity and its subsidiaries.

As of December 31, 2023, the number of Liquidation Trust Interests outstanding in each class is as follows:

Class of Interest	Number Outstanding as of December 31, 2023
Class A Liquidation Trust Interests	11,514,662
Class B Liquidation Trust Interests	675,617

For each of the classes of Liquidation Trust Interests, the number of Liquidation Trust Interests outstanding will increase to the extent that the disputed claims become allowed claims. In addition, the number of Liquidation Trust Interests outstanding will decrease to the extent that disputed claims are settled by cancelling previously issued Liquidation Trust Interests.

Since the Plan Effective Date through December 31, 2023, the Wind-Down Subsidiaries have disposed of approximately 149 properties for aggregate net sales proceeds of approximately \$576.00 million. At December 31, 2023, there were only two remaining real estate assets with a carrying value of approximately \$0.47 million. Going forward, the Company’s most significant source of cash is expected to be from interest earnings and from the settlement of the remaining Causes of Action. In addition to pursuing the remaining Causes of Action, the Company’s most significant current activity is overseeing the resolution of the construction defect claim asserted against one of the subsidiaries of the Wind-Down Entity. The Company currently expects to complete its liquidation activities during the fiscal year ending June 30, 2026.

Liquidity and Capital Resources

*Liquidity*

The Company's primary sources for meeting its capital requirements are its cash and cash equivalents, receipt of interest earned on cash and cash equivalents, proceeds from liquidating its other assets, recoveries on Causes of Action, if any, and proceeds from the sale of Forfeited Assets.<sup>1</sup> The Company's primary uses of funds are and will continue to be for distributions and operating costs, including costs related to construction defect claims and other costs. While the Company expects to be able to adequately fund its operations over the next twelve months from its primary sources of capital, during the year ended June 30, 2023, a construction defect claim was asserted against a subsidiary of the Company by the buyer of one of the subsidiary's single-family homes. At this time, the amount of the liability exposure has not been determined and the subsidiary's exposure is unknown.

*Capital Resources*

In addition to consolidated cash and cash equivalents as of December 31, 2023 of approximately \$60.22 million (of which approximately \$4.19 million is restricted), the capital resources available to the Company are as follows:

- **Proceeds from Real Estate Transactions:** As of December 31, 2023, the Company owned two real estate assets with an estimated carrying value of approximately \$0.47 million. Based on the remaining real estate assets of the Company, future net proceeds will be negligible as compared to the proceeds the Company has realized in prior periods.
- **Causes of Action Recoveries:** During the three and six months ended December 31, 2023, the Company recognized approximately \$0.82 million and \$34.51 million, respectively, from the settlement of Causes of Action. Based on the remaining Causes of Action, future recoveries will be negligible as compared to the proceeds the Company has realized in prior periods.
- **Interest Earnings:** As of December 31, 2023, the Company has accrued approximately \$1.32 million of interest earnings through March 31, 2026. Of this amount, the Company projects to receive approximately \$0.64 million of interest earnings through June 30, 2024.
- **Forfeited Assets:** Forfeited Assets consist of cash and other assets (jewelry and art). There were no sales of Forfeited Assets during the three months ended December 31, 2023. During the six months ended December 31, 2023, the Trust sold some of its Forfeited Assets and received net proceeds of approximately \$0.05 million. On February 7, 2023, the Trust was informed that the DOJ received additional Forfeited Assets from a co-defendant of Robert Shapiro and the DOJ proposes to transfer these Forfeited Assets to the Trust. On December 12, 2023, the DOJ granted the Trust's petition for remittance of the additional Forfeited Assets. At this time, the Trust is unable to estimate the precise amount or timing of the transfer of any such Forfeited Assets and therefore these future proceeds have not been recorded as of December 31, 2023. As noted earlier, net sale proceeds from liquidating the Forfeited Assets are to be distributed only to Qualifying Victims.

*Uses of Liquidity*

The primary uses of the Company's liquidity are to pay distributions payable, and fund operating costs and costs related to construction defect claim(s) (if required) and other costs. As of December 31, 2023, the Company's total liabilities were approximately \$22.87 million. The total liabilities recorded as of December 31, 2023 may not be indicative of the costs paid in future periods, which may vary materially from the current estimate.

---

<sup>1</sup>The Trust is required to distribute the net sale proceeds from liquidating the Forfeited Assets to the Qualifying Victims. Qualifying Victims are the former holders of Class 3 and Class 5 Claims and their permitted assigns. Former holders of Class 4 Claims are not Qualifying Victims. Because of the requirement to distribute the net sale proceeds of the Forfeited Assets to the Qualifying Victims only, the Forfeited Assets as of December 31, 2023 are presented in the consolidated statement of net assets as restricted net assets in liquidation. As of December 31, 2023, 11,435,288 of the 11,514,662 Class A Interests were held by Qualifying Victims. As of December 31, 2023, 1,880 of the 4,791 Class A Interests relating to unresolved claims were for Qualifying Victims.

**PART I. FINANCIAL INFORMATION (CONTINUED)**

**Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations (Continued)**

Given current cash and cash equivalent balances, projected proceeds from real estate transactions, estimated Causes of Action recoveries, distributions payable, and expected cash needs, the Company does not expect a deficiency in liquidity in the next twelve months. Due to the uncertain nature of future proceeds from real estate transactions, recoveries and costs to be incurred including any costs related to construction defect claims and other costs, it is not possible to be certain that the current liquidity will be adequate to cover all future financial needs of the Company. Creating contingent obligation agreements and/or seeking methods to reduce professional costs, including legal fees, and administrative costs are strategies that could be undertaken to address liquidity issues should they arise. These strategies could impact the Company’s ability to maximize recoveries from the settlement of unresolved Causes of Action.

Distributions

Distributions will be made at the sole discretion of the Liquidation Trustee in accordance with the provisions of the Plan and the Trust Agreement. **On August 3, 2023, at the recommendation of the Liquidation Trustee, the Trust suspended the making of additional Trust distributions pending the result of the Company’s investigation of a construction defect claim.**

As of February 12, 2024, the Liquidation Trustee has declared eleven (11) distributions to the Class A Interestholders. The distributions include a cash distribution on account of the then-allowed claims and a deposit is made into a restricted cash account for amounts that are or may become payable (a) in respect of Class A Interests that may be issued in the future upon the allowance of unresolved bankruptcy claims, (b) in respect of Class A Interests on account of recently allowed claims, (c) for holders of Class A Interests who failed to cash distribution checks mailed in respect of prior distributions, (d) for distributions that were withheld due to pending avoidance actions and (e) for holders of Class A Interests for which the Trust is waiting for further beneficiary information.

As claims are resolved, additional Class A Interests may be issued or cancelled (see the Company’s Annual Report on Form 10-K filed on September 28, 2023, “Part 1, Item 1. Business, D. Plan Provisions Regarding the Company, 2. Treatment under the Plan of holders of claims against and equity interests in the Debtors and 3. Assets and liabilities of the Company”). Therefore, the total amount of a distribution declared may change between the date declared and the date paid. The Liquidation Trustee will continue to assess the adequacy of funds held and may make additional cash distributions on account of Class A Interests but does not currently know the timing or amount of any such distribution(s).

Sections 7.6 and 7.18 of the Plan provide that distributions that have not been cashed within 180 calendar days of their issuance shall be null and void and the holder of the associated Liquidation Trust Interests “shall be deemed to have forfeited its rights to any reserved and future Distributions under the Plan,” with such amounts to become “Available Cash” of the Trust for all purposes. On February 1, 2022, the Trust sent letters to the holders of the Class A Interests who had failed to cash distribution checks in respect of prior distributions, which checks were issued more than 180 days prior to the date of the letter. The letter informed each recipient that, unless the Trust was contacted on or before February 28, 2022, such recipient’s reserved and future distributions would be deemed forfeited in accordance with the Plan. The Trust provided this final notice simply as a one-time courtesy and reserves its rights to strictly enforce the Plan’s forfeiture provisions, and any other provision of the Plan, against any person (including any recipient of the final notice) at any time in the future, without further notice.

Since its inception, the Wind-Down Entity has made substantial progress toward completion of its liquidation activities and has liquidated all but two real estate assets with carrying value of approximately \$0.47 million. Holders of Liquidation Trust Interests are advised that future distributions from the Trust, if any, will be limited and will be materially reliant on future recoveries from litigation, net of accrued liquidation costs, including amounts for potential construction defect claims, which are uncertain and the amount and timing of which are difficult to determine.

Contractual Obligations

The Company had an office lease that expired on January 31, 2024. On December 18, 2023, the Company entered into a new month-to-month lease for office space commencing January 1, 2024. The Company expects that it will continue to lease office space until the liquidation process is completed.

The Wind-Down Entity has part-time employment agreements with its two executive officers through December 31, 2023. The agreements are renewed automatically until terminated, subject to the right of either party to terminate the agreement at any time and for any reason on thirty days’ advance written notice.

**Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations (Continued)**

Critical Accounting Policies and Practices

The Company's consolidated financial statements are prepared in accordance with U.S. GAAP. The accounting policies and practices that the Company believes are the most critical are discussed below. These accounting policies and practices require management to make decisions on subjective and/or complex matters that may inherently be uncertain. Estimates are required to prepare the consolidated financial statements in conformity with U.S. GAAP. Significant estimates, judgments and assumptions are required in a number of areas, including, but not limited to, the general and administrative costs to be incurred until the completion of the liquidation activities of the Company and estimated reserves for contingent liabilities, including potential construction defect claims and the administration of such claims after the Company's liquidation activities are completed. In many instances, changes in the accounting estimates are likely to occur from period to period. Actual results may differ from the estimates. The Company believes the current assumptions and other considerations used in preparing the consolidated financial statements are appropriate. However, if actual experience differs from the assumptions and other considerations used in estimating amounts reflected in the Company's consolidated financial statements, the resulting changes could have a material adverse effect on the Company's net assets in liquidation.

Liquidation Basis of Accounting

Under the Liquidation Basis of Accounting, all assets are recorded at their estimated net realizable value or liquidation value, which represents the estimated amount of net cash that may be received upon the disposition of the assets (on an undiscounted basis). Liabilities are measured in accordance with U.S. GAAP that otherwise applies to those liabilities. The Company has not recorded any amount from the future settlement of unresolved Causes of Action in the accompanying consolidated financial statements until an agreement is executed, final court approval is received (if required), and collectability is reasonably assured. The amounts recovered may be material to the Company's net assets in liquidation.

Other Assets

The Company recognizes recoveries from the settlement of unresolved Causes of Action when an agreement is executed, and collectability is reasonably assured. An allowance for uncollectible settlement installment receivables is recorded when there is doubt about the collectability of the receivable. The Company records escrow receivables at the amount that is expected to be received when the escrow receivable is released. The Forfeited Assets received from the United States Department of Justice (the "DOJ"), other than cash, have been recorded at their estimated net realizable value. The Company accrues expected interest earnings when it can forecast the interest rate to be paid on its cash on deposit. The measurement of real estate assets is based on current contracts (if any), if contingencies have been removed, estimates and other indications of sales value, net of estimated selling costs. The performing loan is recorded at the amount of the contractual interest payments and principal repayment of the loan.

In addition, the Company recognizes other amounts to be received based on contractual terms or when the amounts to be received are certain.

Accrued Liquidation Costs

The estimated costs associated with implementing and completing the Company's plan of liquidation are recorded as accrued liquidation costs. The Company has also recorded the estimated remaining development costs and estimated costs to address potential construction defect claims as well as the estimated general and administrative costs to be incurred until the completion of the liquidation of the Company, and an accrual for the administration of construction defect claims.

Changes in Carrying Value

On a quarterly basis, the Company reviews the estimated net realizable values, liquidation costs and the estimated date of the completion of the liquidation of the Company and records any significant changes. If the Company has a change in its plan for the disposition of an asset, the carrying value will be adjusted to reflect this change in the period that the change is approved. The change in value may also include a change to the accrued liquidation costs related to the asset.

All changes in the estimated liquidation value of the Company's assets, real estate held for sale, or other assets and liabilities are reflected as a change to the Company's net assets in liquidation.

**Item 3. Quantitative and Qualitative Disclosures about Market Risk**

Not applicable, as the Company is a “smaller reporting company” within the meaning of Rule 12b-2 of the Exchange Act.

**Item 4. Controls and Procedures**

Disclosure Controls and Procedures

As of the end of the period covered by this report, management and the Liquidation Trustee have evaluated the effectiveness of the design and operation of our disclosure controls and procedures. Based upon, and as of the date of, the evaluation, management and the Liquidation Trustee concluded that the disclosure controls and procedures were effective as of the end of the period covered by this report to ensure that information required to be disclosed in the reports we file and submit under the Exchange Act is recorded, processed, summarized and reported as and when required. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by us in the reports we file and submit under the Exchange Act is accumulated and communicated to our management, including the Liquidation Trustee, as appropriate to allow timely decisions regarding required disclosure.

Management’s Report on Internal Control Over Financial Reporting

Our management is responsible for establishing and maintaining adequate internal control over financial reporting, as such term is defined in Rule 13a-15(f) or 15d-15(f) promulgated under the Securities Exchange Act of 1934, as amended.

In connection with the preparation of our Form 10-Q, our management and the Liquidation Trustee assessed the effectiveness of our internal control over financial reporting as of December 31, 2023. In making that assessment, management used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission (COSO) in *Internal Control-Integrated Framework* (2013).

Based on its assessment, our management and the Liquidation Trustee believe that, as of December 31, 2023, our internal control over financial reporting was effective based on those criteria. There have been no changes in our internal control over financial reporting that occurred during the quarter ended December 31, 2023 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

## PART II. OTHER INFORMATION

### Item 1. Legal Proceedings

Below are descriptions of pending litigation. As the Company is the plaintiff in these legal proceedings and does not have the ability to estimate the ultimate recovery amount until they are settled, and in accordance with the Company's accounting policy, no recoveries have been recorded in the Company's consolidated financial statements for these legal proceedings, other than for settlements for which the Trust has entered into a signed settlement agreement and collectability is reasonably assured.

*Goldberg v. Halloran & Sage LLP, et al.*, Case No. 19STCV42900 (Cal. Super. Ct., L.A. **PART II. OTHER INFORMATION**

**Item 1. Legal Proceedings (Continued)**

- On March 20, 2020, two sets of defendants – Sidley Austin LLP and Neal Sullivan; and Davis Graham & Stubbs LLP and S. Lee Terry, Jr. – filed special motions to strike the portions of the complaint directed at them under a California statute (Civil Procedure Code section 425.16) that permits defendants to bring early challenges to causes of action against them that allegedly arise from protected litigation activity if those causes of action lack minimal merit. The defendants that filed these special motions to strike asserted that the claims against them arise from communicative conduct in the course of quasi-judicial proceedings, such as regulatory inquiries, and that the Trust cannot establish a likelihood of prevailing on its claims against them. The Trust opposed these motions, and the matters were heard on July 28, 2020, and taken under submission on that date. On August 14, 2020, the Court entered orders: (i) granting the motion to strike filed by Sidley Austin LLP and Neal Sullivan, and (ii) granting in part and denying in part the motion to strike filed by Davis Graham & Stubbs LLP and S. Lee Terry, Jr. In September 2020, the Trust filed notices of appeal of the foregoing orders, and Davis Graham & Stubbs LLP and S. Lee Terry, Jr. subsequently filed a cross-appeal. On January 27, 2021, the Court entered an order granting, in part, a motion for attorneys’ fees filed by Sidley Austin LLP and Neal Sullivan, pursuant to which the movants were awarded \$282,500.00 in fees and \$5,600.00 in costs. On March 1, 2021, the Trustee filed a notice of appeal of the order granting fees and costs.
- On April 13, 2020, four sets of defendants – Rome McGuigan, P.C. and Brian Courtney; Bailey Cavalieri LLC and Thomas Geyer; Robinson & Cole LLP and Shant Chalian; and Finn Dixon & Herling LLP and Reed Balmer – filed motions to quash the service of summonses. The defendants that filed these motions asserted that they are not subject to suit in California because they do not have sufficient contacts with California to justify a California court’s exercise of jurisdiction over them. The Trust opposed these motions, and the matters were heard in part on July 15, 2020 and in part on July 20, 2020, and (with exception of the motion filed by Finn Dixon & Herling LLP and Reed Balmer) were taken under submission on July 20, 2020. The motion filed by Finn Dixon & Herling LLP, and Reed Balmer was taken off calendar prior to July 20, 2020, and the parties thereafter reached a confidential settlement. On July 21, 2020, the Court entered orders granting the motions to quash filed by Rome McGuigan, P.C. and Brian Courtney; Bailey Cavalieri LLC and Thomas Geyer; and Robinson & Cole LLP and Shant Chalian. On September 10, 2020, the Trust filed a notice of appeal of the foregoing orders.
- On June 16, 2020, the Trust reached a confidential settlement with Balcomb & Green, P.C. and Lawrence R. Green. On July 6, 2020, these defendants filed a motion seeking the Court’s determination that the settlement was made in good faith under a California statute (Civil Procedure Code section 877.6) that permits settling defendants to seek a good faith settlement finding in order to bar any other defendant from seeking contribution or indemnity. The motion was unopposed, and the Court entered an order granting it on August 12, 2020.
- On September 11, 2020, the Trust reached a settlement with Finn Dixon & Herling LLP and Reed Balmer that resolved all litigation between them.
- On January 21, 2021, the Trust reached a confidential settlement with Robinson & Cole LLP and Shant Chalian. As part of that settlement, the appeal of the jurisdictional ruling as to those parties has been dismissed.
- The other appeals remain pending. On June 14, 2021, the Trustee filed a combined opening brief for all of the appeals other than his appeal of the order granting fees and costs to Sidley Austin LLP. Between September 22 and 29, 2021, the respondents filed their opening briefs. On March 17, 2022, the Trustee filed a combined reply brief for all of the appeals other than his appeal of the order granting fees and costs to Sidley Austin LLP. On June 30, 2022, Davis Graham & Stubbs LLP filed its reply brief in support of its cross-appeal of the order denying a portion of its special motion to strike. The matter is currently fully briefed and awaiting argument.
- While the appeals were pending, the Trust reached a settlement with Davis Graham & Stubbs LLP and Lee Terry on July 29, 2023 for \$25.5 million, which amount resulted in proceeds paid to the Trust on October 2, 2023 of approximately \$17.0 million, net of attorneys’ fees. The settlement resolved all litigation between the Trust and Davis Graham & Stubbs LLP and Mr. Terry.

## PART II. OTHER INFORMATION

### Item 1. Legal Proceedings (Continued)

- In March 2023, the Trust dismissed its claims against Jon H. Freis.
- In April 2023, the Trust reached a settlement with Bailey Cavalieri LLC and Thomas Geyer that resolved all litigation between them.
- In June 2023, the Trust reached a settlement with Halloran & Sage and Richard Roberts for the remaining amount of the law firm's applicable liability insurance policies, which resulted in proceeds paid to the Trust on August 11, 2023 of approximately \$13.2 million, net of attorneys' fees and other litigation expenses. This settlement resolved all litigation between the Trust and Halloran & Sage and Richard Roberts.
- On November 4, 2023, the Trust and law firm Rome McGuigan, P.C. agreed to settle the Trust's pending litigation against that firm and related defendants for \$5.0 million. On January 23, 2024, the court granted Rome McGuigan, P.C.'s motion to determine that the settlement with the Trust was reached in good faith. Under the terms of the agreement, payment of the settlement is expected on or before February 22, 2024.
- On January 19, 2024, The California Court of Appeal issued an appeal affirming the trial court's orders granting Sidley Austin LLP and Neal Sullivan's motion to strike, as well as the order awarding them attorney's fees. The Trust has elected not to seek further appellate review of this ruling. The attorneys' fees and costs owed to Sidley Austin LLP are approximately \$290,000, plus (potentially) additional fees in connection with prosecution of the appeal, the amount of which will not be known until Sidley Austin LLP seeks such additional fees and the trial court considers the issue at some future date.

*Goldberg v. Rome McGuigan, P.C., et al., Case No. 2:20-cv-09958-JFW-SK (C.D. Cal.)*. On October 28, 2020, the Trust filed a federal lawsuit against four defendants that prevailed on the motions to quash service of summons in the California state court action (Rome McGuigan, P.C.; Brian Courtney; Bailey Cavalieri LLC; and Thomas Geyer), as well as a fifth defendant (Ivan Acevedo), and certain "Doe" defendants." The complaint contains counts for (i) violations of section 10(b) of the Exchange Act and Rule 10b-5; (ii) aiding and abetting fraud; (iii) aiding and abetting breach of fiduciary duty; (iv) negligent misrepresentation; (v) professional negligence; (vi) aiding and abetting conversion; (vii) actual fraudulent transfer; and (viii) constructive fraudulent transfer. The conduct challenged in the complaint includes certain of the same conduct challenged in the California state court action, and a footnote in the complaint explains: "Plaintiff filed an action in Los Angeles Superior Court against [four of these defendants] raising some of the claims asserted in this action. Those defendants filed a motion to quash service, alleging that the court did not have personal jurisdiction. The Court granted those motions, and Plaintiff appealed. Plaintiff brings this action to preserve his rights and ensure that his claims against [the defendants] are adjudicated on the merits. Should the state court appeal be successful, resulting in two cases being simultaneously litigated on the merits in two forums, [plaintiff] will consider dismissing this action and litigating the case in state court." On January 4, 2021, the four defendants from the California state court action filed motions to dismiss this federal lawsuit, and on March 4, 2021, the court entered an order granting those motions in part by dismissing the first count (arising under the federal securities laws), without ruling on the remaining counts (arising under state law) in light of potential personal jurisdiction issues. On March 29, 2021, the same four defendants again moved to dismiss the remaining counts for lack of personal jurisdiction. On April 23, 2021, the federal court entered an order granting those motions but has not yet entered a final judgment. As noted above, in April 2023, the Trust reached a settlement with Bailey Cavalieri LLC and Thomas Geyer that resolved all litigation between them. Also as noted above, on November 4, 2023, the Trust and law firm Rome McGuigan, P.C. agreed to settle the Trust's pending litigation against that firm and related defendants for \$5.0 million. Upon receipt of the settlement payment, which is expected on or before February 15, 2024, all of the Trust's claims against Rome McGuigan, P.C. and related defendants will be resolved.

*Avoidance actions.* The Trust is currently prosecuting several legal actions to recover preferential payments, fraudulent transfers, and other funds subject to recovery by the bankruptcy estate. These actions were filed in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"), are pending before the Honorable J. Kate Stickles, and generally fall into the following categories:

## PART II. OTHER INFORMATION

### Item 1. Legal Proceedings (Continued)

- *Preferential transfers and/or fraudulent transfers (Noteholders and Unitholders).* Certain of the actions include claims arising under chapter 5 of the Bankruptcy Code and seek to avoid or recover payments made by the Debtors: (1) during the 90 days prior to the December 4, 2017 bankruptcy filing, including payments to miscellaneous vendors and former Noteholders and Unitholders; and/or (2) during the course of the Ponzi scheme (from July 2012 through the December 4, 2017 bankruptcy filing) for interest paid to former Noteholders and Unitholders.
- *Fraudulent transfers (Shapiro personal expenses).* Two remaining actions include claims arising under chapter 5 of the Bankruptcy Code and seek to avoid and recover payments made by the Debtors during the course of the Ponzi scheme (from July 2012 through the December 4, 2017 bankruptcy filing) for the personal expenses of Robert and Jeri Shapiro, including those identified in a forensic report prepared in connection with an SEC enforcement action in the United States District Court for the Southern District of Florida.
- *Fraudulent transfers and fraud (against former agents).* Certain of the actions, which arise under chapter 5 of the Bankruptcy Code and applicable state law governing fraudulent transfers, seek to avoid and recover payments made by the Debtors during the course of the Ponzi scheme (from July 2012 through the December 4, 2017 bankruptcy filing) for commissions to former agents, as well as for fraud, aiding and abetting fraud, and the unlicensed sale of securities asserted by the Trust based on claims contributed to the Trust by defrauded investors. These actions were filed by the Trust in the Bankruptcy Court between November 15, 2019 and December 4, 2019. Actions of this type are also being pursued by the SEC, and it is the Trust's understanding that any recoveries obtained by the SEC will be transmitted to the Trust pursuant to a Fair Fund established by the SEC.
- *Fraudulent transfers (Kenneth Halbert).* The Trust has pursued fraudulent transfer claims against Kenneth Halbert to avoid and recover prepetition payments of principal and interest to Mr. Halbert. The Trust filed its initial complaint on December 1, 2019 and the operative first amended complaint on December 7, 2021. Fact discovery closed on April 24, 2023. Thereafter, on June 27, 2023, the Trust agreed to settle its pending fraudulent transfer claims against Kenneth Halbert. The terms of the settlement are contained in a settlement agreement between the Trust and Mr. Halbert. Under the agreement, the Trust agreed to dismiss its claims against Mr. Halbert for the sum of \$4 million, payable in cash to the Trust. The Trust received the settlement payment on August 15, 2023 and dismissed the action against Mr. Halbert on August 22, 2023.
- *Recovery of United States Trustee Fees.* On June 6, 2022, the United States Supreme Court determined in *Siegel v. Fitzgerald*, 596 U.S. 464 (2022), that a statutory amendment that imposed a temporary increase in the United States Trustee fees payable in bankruptcy cases in certain judicial districts (but not in other districts) was unconstitutional as a violation of the uniformity requirement of the Bankruptcy Clause of the United States Constitution. Following *Siegel*, certain representatives of bankruptcy estates in the affected districts filed lawsuits seeking refunds of the incremental amounts paid by those estates for United States Trustee fees in excess of the amounts that would have been paid absent the unconstitutional statutory amendment. On December 29, 2022, the Trust filed such a complaint in the Bankruptcy Court against Andrew R. Vara, in his capacity as the United States Trustee for Region 3, Tara Twomey, in her capacity as Director of the Executive Office for United States Trustees, and the United States Trustee Program (Adv. No. 22-50516). The Complaint seeks a refund in the amount of \$1,920,219 in connection with the overpayment of United States Trustee fees during the Bankruptcy Cases. On August 3, 2023, the Trust filed a motion for summary judgment in this action. On September 29, 2023, the United States Supreme Court granted the petition for a writ of certiorari in *United States Trustee v. John Q. Hammons Fall 2006 LLC*, No. 22-1238 (U.S.) on the issue of the appropriate remedy for the Constitutional violation identified in *Siegel*, which issue affects the numerous cases throughout the affected districts in which unconstitutional United States Trustee fees were assessed and paid. Prior to the deadline for the United States Trustee defendants in the Trust's refund lawsuit to respond to the Trust's motion for summary judgment, the parties entered into a stipulation staying the Trust's action until the Supreme Court renders a decision in the *Hammons* case. Oral argument before the Supreme Court in the *Hammons* case took place on January 9, 2024. As of the date hereof, a decision by the Supreme Court has not been issued and, as such, the Trust's action remains stayed. As a result, at this time, the Trust is unable to determine if any refund will be obtained or the timing of any such refund.

## PART II. OTHER INFORMATION

### Item 1. Legal Proceedings (Continued)

The Trust has filed over 400 legal actions of this nature, many of which have been resolved, resulting in recoveries by or judgments in favor of the Trust. As of February 12, 2024, 34 of these legal actions remain pending.

Since inception and as of February 12, 2024, the Trust has entered into settlements in approximately 237 legal actions and approximately 245 potential avoidance claims for which litigation was not filed, resulting in aggregate settlements of approximately \$22.48 million of cash payments made or due to the Trust and approximately \$11.28 million in reductions of claims against the Trust.

Additionally, as of February 12, 2024, the Trust has obtained judgments of approximately \$169.07 million, including default judgments of approximately \$152.89 million and stipulated judgments of approximately \$16.18 million. It is unknown at this time how much, if any, will ultimately be collected on these judgments, as stipulated and default judgments are commonly obtained where the defendant has insufficient assets, if any, to satisfy a judgment.

*Other legal proceedings.* In addition, other legal proceedings were prosecuted by the Trust and United States governmental authorities, which actions resulted in recoveries in favor of the Trust. Such actions include:

- *Actions regarding the Shapiro's personal assets.* On December 4, 2019, the Trust filed an action in the Bankruptcy Court, Adv. Pro. No. 10-51076 (BLS), *Woodbridge Liquidation Trust v. Robert Shapiro, Jeri Shapiro, 3X a Charm, LLC, Carbondale Basalt Owners, LLC, Davana Sherman Oaks Owners, LLC, In Trend Staging, LLC, Midland Loop Enterprises, LLC, Schwartz Media Buying Company, LLC and Stover Real Estate Partners LLC*. In this action, the Trust asserts claims under chapter 5 of the Bankruptcy Code and applicable state law for avoidance of preferential and fraudulent transfers together with claims for fraud, aiding and abetting fraud, the unlicensed sale of securities, breach of fiduciary duty and unjust enrichment. The Trust seeks to recover damages and assets held in the names of Robert Shapiro, Jeri Shapiro and their family members and entities owned or controlled by them, which assets the Trust contends are beneficially owned by the Debtors or for which the Debtors are entitled to recover based on the Shapiros' defalcations, including over \$20 million in avoidable transfers. On February 4, 2022, the Trust entered into a Settlement Agreement with Ms. Jeri Shapiro resolving the Trust's adversary proceeding against Ms. Shapiro. In connection with the Settlement Agreement, Ms. Shapiro responded to interrogatories from the Trust and submitted a declaration under penalty of perjury detailing her lack of assets. Upon execution of the Settlement Agreement, Ms. Shapiro executed and delivered a Stipulated Judgment for approximately \$20.6 million that will be held by the Trust in escrow for three years that can be entered without notice if the Trust learns Ms. Shapiro's representations in her declaration were false or materially inaccurate. Additionally, Ms. Shapiro authorized the Trust to expunge the filed claims of certain co-defendants for entities she was listed as an officer and turned over payments to the Trust that were received by certain co-defendants in the adversary proceeding. A stipulation of dismissal (as to Ms. Shapiro only) was entered on April 1, 2022.
- *Criminal proceeding and forfeiture.* In connection with the United States' criminal case against Robert Shapiro (Case No. No. 19-20178-CR-ALTONAGA (S.D. Fla. 2019)), Shapiro agreed to the forfeiture of certain assets. The Trust filed a petition in the Florida court to claim the Forfeited Assets as property of the Debtors' estates, and therefore as property that had vested in the Trust pursuant to the Plan. The Trust has entered into an agreement with the United States Department of Justice to resolve its claim. The agreement was approved by the Bankruptcy Court on September 17, 2020 and was approved by the United States District Court on October 1, 2020. Among other things, the agreement provides for the release of specified Forfeited Assets by the United States to the Trust, and for the Trust to liquidate those assets and distribute the net sale proceeds to Qualifying Victims, which include the vast majority of Trust beneficiaries—specifically, all former holders of Class 3 and 5 claims under the Plan and their permitted assigns—but do not include former holders of Class 4 claims under the Plan. The Trust has taken possession of the Forfeited Assets and has sold the wine, gold, clothing, handbags, shoes and an automobile. A substantial majority of the jewelry and art have also been sold.

**Item 1. Legal Proceedings (Continued)**

*Wind-Down Group litigation.* The Wind-Down Group owned a portfolio of real estate assets, which included secured loans and other properties. As part of its recovery efforts, the Wind-Down Group, through its subsidiaries, is involved in ordinary routine litigation incidental to such assets. Among other litigation, certain Woodbridge entities (including the Trust, the Wind-Down Entity, and WB 8607 Honoapiilani, LLC) filed an action against Certain Underwriters at Lloyd's of London in Los Angeles Superior Court, alleging that the defendant insurer breached its obligations under an insurance policy purchased to protect a property owned by WB 8607 Honoapiilani (a subsidiary of the Wind-Down Entity) in Hawaii, which property was destroyed by fire in August 2017. The Superior Court granted the defendant's motion for summary judgment, and on March 25, 2021 entered judgment in favor of the defendant. The judgment provided that plaintiffs take nothing by way of the complaint. Further, the judgment provided that defendant refund plaintiffs for the premium payments under the insurance policy at issue in the lawsuit (\$110,829.43), less all amounts paid by the defendant in respect of claims under the policy (\$97,770.38) and less defendant's costs (defendant requested costs of \$9,874.71). Plaintiffs appealed the judgment. The appeal was fully briefed and oral argument took place before the Court of Appeal on November 21, 2022. After extending its time to rule on the submitted matter, the Court of Appeal entered its ruling on April 19, 2023. In an unpublished opinion, the Court of Appeal affirmed the judgment of the Superior Court and awarded costs on appeal to the respondent Underwriters. Although the Wind Down Entity had a right to petition the California Supreme Court for review, such petitions are rarely granted, and counsel did not believe that there was a realistic chance that the petition would be granted, particularly since the Court of Appeal opinion is unpublished and would not be citable precedent in California. As such, the Court of Appeal opinion became final 30 days after entry, on May 19, 2023.

**PART II. OTHER INFORMATION (CONTINUED)****Item 1A. Risk Factors**

Please see the applicable risks in Item 1A of our Annual Report on Form 10-K filed with the SEC on September 28, 2023.

**Item 2. Unregistered Sales of Equity Securities and Use of Proceeds**

In accordance with the Plan, all Liquidation Trust Interests have been issued without registration under the Securities Act. The Liquidation Trust Interests have been issued only to holders of allowed claims in Class 3, Class 4, and Class 5 under the Plan entirely in exchange for such claims. See “Item 1. Business - D. Plan Provisions Regarding the Company - 2. Treatment under the Plan of holders of claims against and equity interests in the Debtors” of our Annual Report on Form 10-K filed with the SEC on September 28, 2023. During the period from February 15, 2019 (inception) through December 31, 2023, the Trust has issued an aggregate of 11,543,781 Class A Interests and an aggregate of 677,790 Class B Interests. As of December 31, 2023, the Trust had 11,514,662 Class A Interests and 675,617 Class B Interests outstanding. All Liquidation Trust Interests were issued on the Plan Effective Date or from time to time thereafter as soon as practicable as and when claims in Class 3, Class 4 or Class 5 have become allowed.

During the three months ended December 31 2023, the Trust issued the following Liquidation Trust Interests:

<b>Date of Sale</b>	<b>Number of Class A Interests Sold</b>	<b>Number of Class B Interests Sold</b>	<b>Nature of the Transaction</b>	<b>Consideration Received</b>
October 26, 2023	83,688	-	Allowance of claims	Allowance of claims

The issuance of Liquidation Trust Interests has occurred in reliance upon the exemption from the registration requirements of the Securities Act afforded by Section 1145(a)(1) of the Bankruptcy Code. Section 1145(a)(1) exempts the offer and sale of securities under a plan of reorganization from registration under the Securities Act and state securities laws and regulation if (i) the securities are offered and sold under a plan of reorganization and are securities of the debtor, of an affiliate of the debtor participating in a joint plan with the debtor, or of a successor to the debtor under the plan; (ii) the recipients of the securities hold a pre-petition or administrative claim against the debtor or an interest in the debtor; and (iii) the securities are issued entirely in exchange for the recipient’s claim against or interest in the debtor, or principally in such exchange and partly for cash or property. The Trust believes that the Liquidation Trust Interests are securities of a “successor” to the Debtors within the meaning of Section 1145(a)(1), and such securities were issued under the Plan entirely in exchange for allowed claims in Class 3, Class 4, and Class 5 under the Plan.
